1976 BUCCANEER

JIM RISER

Coach
Hi! You're one of my favorite teachers (you're so funny and fun to be with, that is kind of hard to do!) and you're the best kind of coach. You can find something fun in nearly every situation. Remember when you had us run out of a million times) we had a blast and all the fun times we had. I'm not as scared of them now as I was, but I still don't like them (I don't like yours either!)! Remember to look! I stay the only person you ever need a typist, you know (or record thought, don't - that's terrible (only kidding!) you are (or record thought, don't - that's terrible (only kidding!) your football teams have winning seasons). Good luck in everything you do! May God Bless You Always!
May your always be filled with love
help you your smile

P.S. Sorry I had to use black pens on you, but mine were switched out in the middle of writing! (I may get you a good one! Ha! Ha! Ha!)
(mind your manners for a change!) Love always,
Cyndi A Hart
(Robin)

To the craziest guy on
Earth, you'd better start
helping me up the stairs
my lungs are Going! HELP

Good
Luck
with your students!

Coach,
I really enjoyed being in your class this year. I was not so fond of you as a person last year, but you've grown on me. You're a great coach and I'm sure you'll be successful in whatever you do. Remember your first period class with Barbie, Cara, Suzy and me. Good Luck with your football team and see you around next year.

Love Carol

Coach,

I'm really glad I was in your class 1st Per. + got to know you (your one of my favorite teachers). I hope I see you alot Next year when I'm finally a senior. + don't forget we're going to the prom next year. I hope you have a fantastic football season next year, but I'm sure you will, I'm not worried about it!
Take care,

Love ya, always.
Jerry O.

Coach,

So a really sweet guy I'll never forget. Remember 6th° science? How could you forget! It's been a pleasure knowing you & I hope to see you after Graduate. Be good & stay sweet. Catch ya at the P.P.P.

Love Always,

Diane Balazo

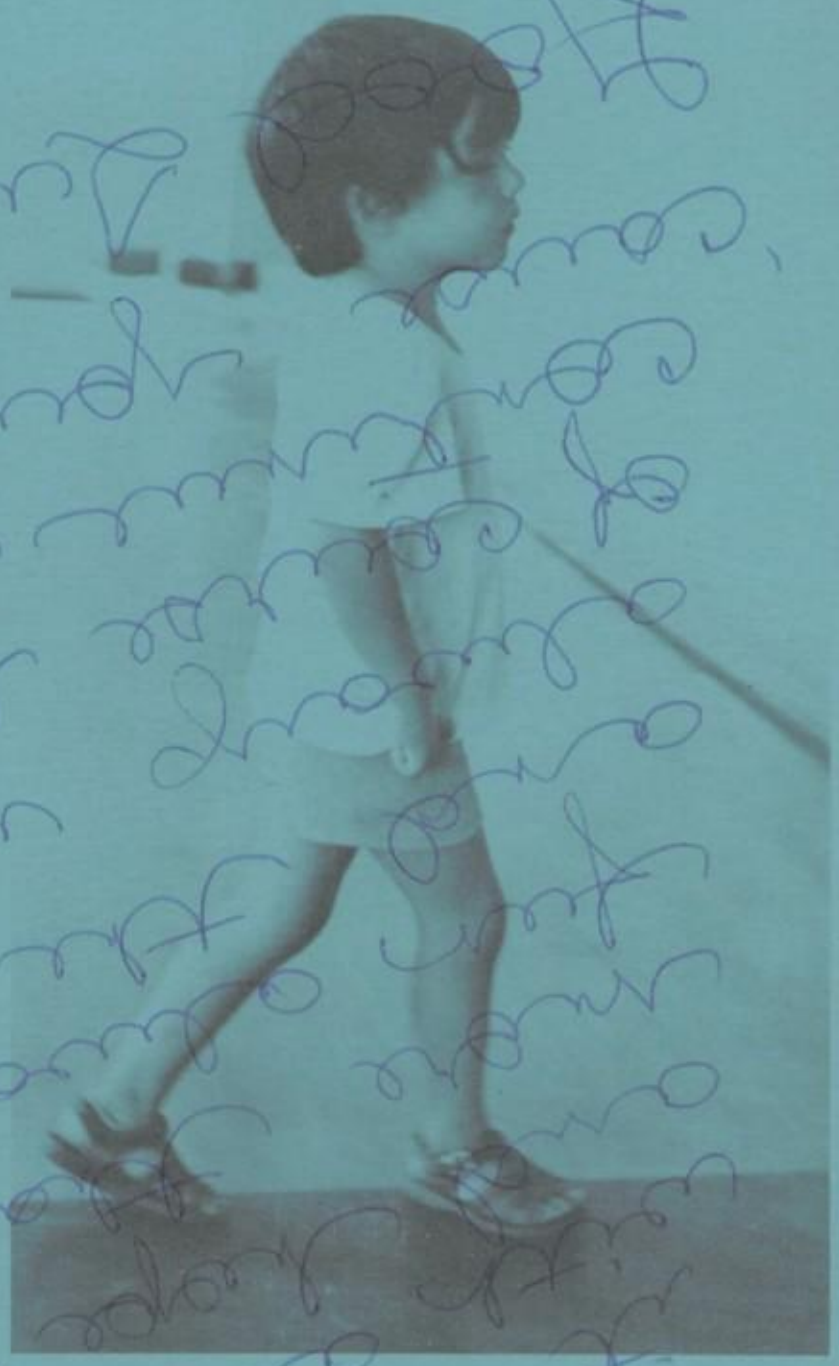
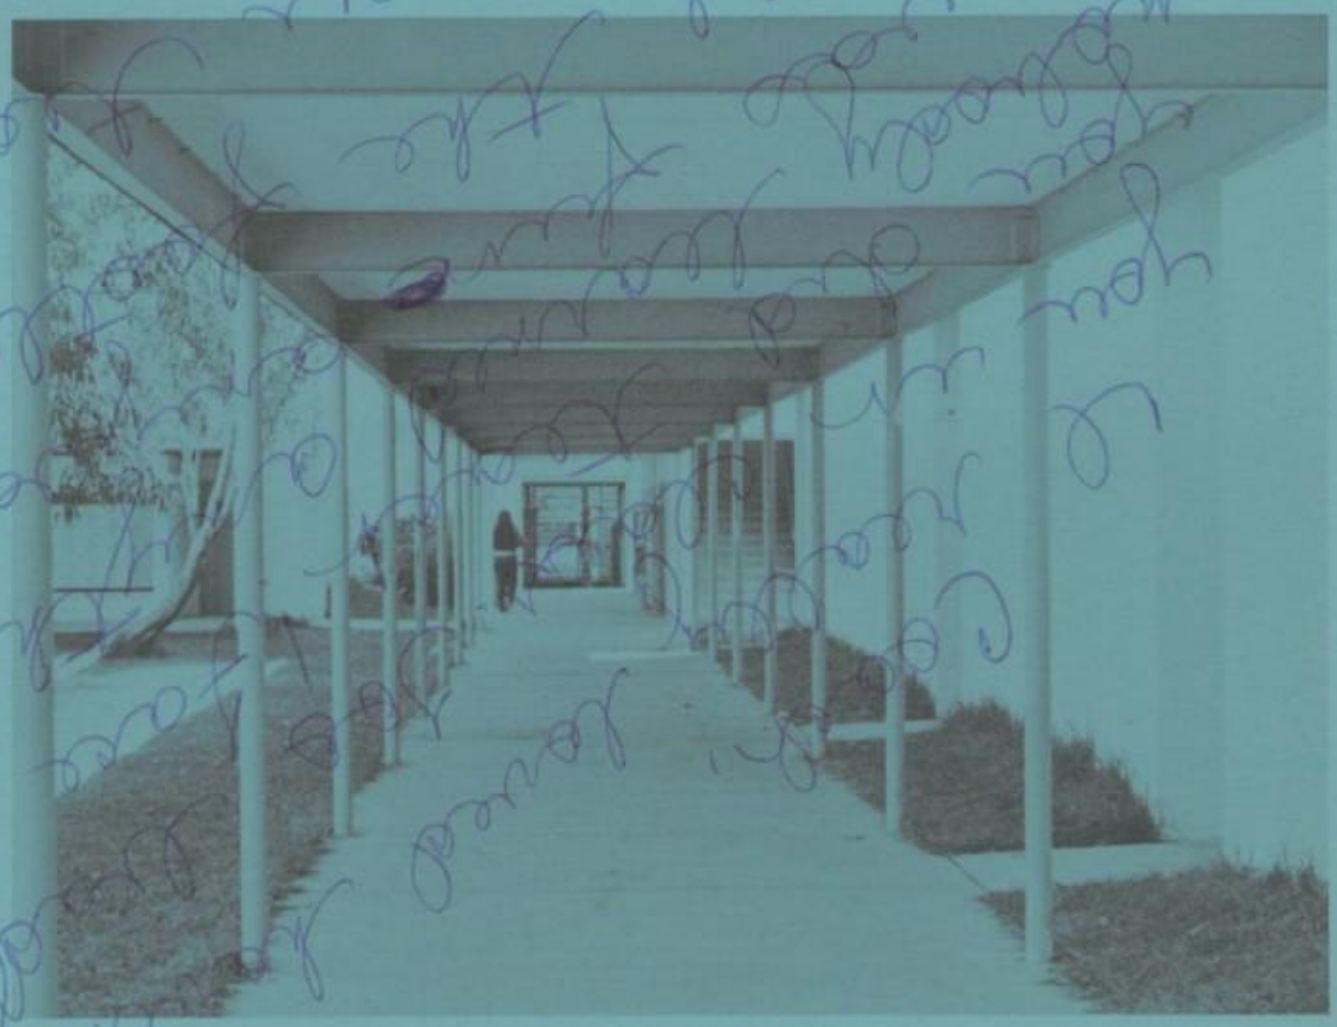
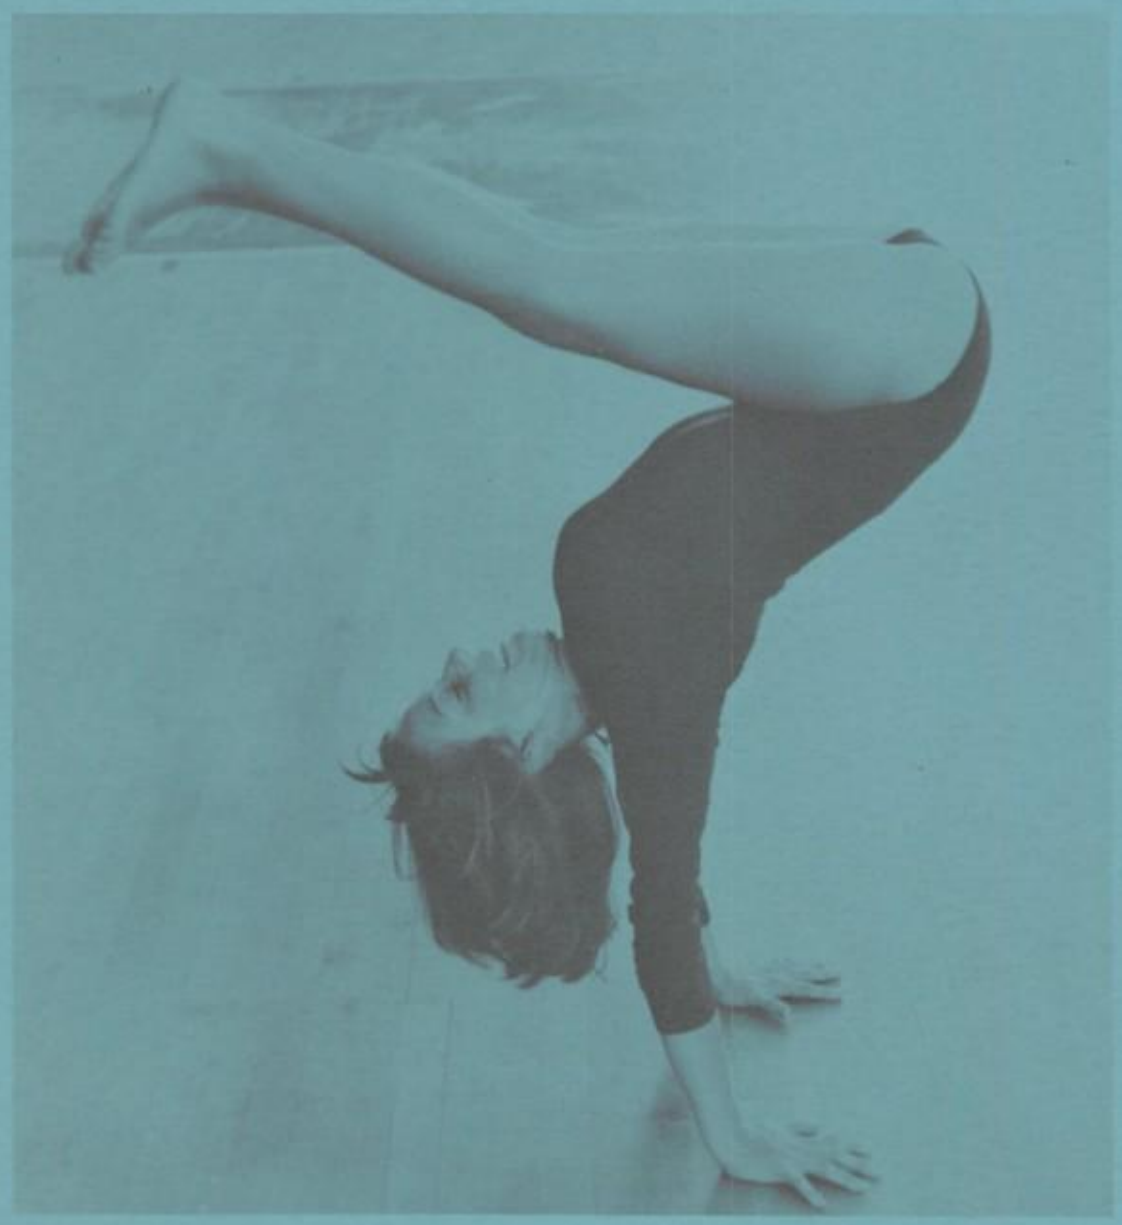
Good Luck w/ next years team we know you're #"1"

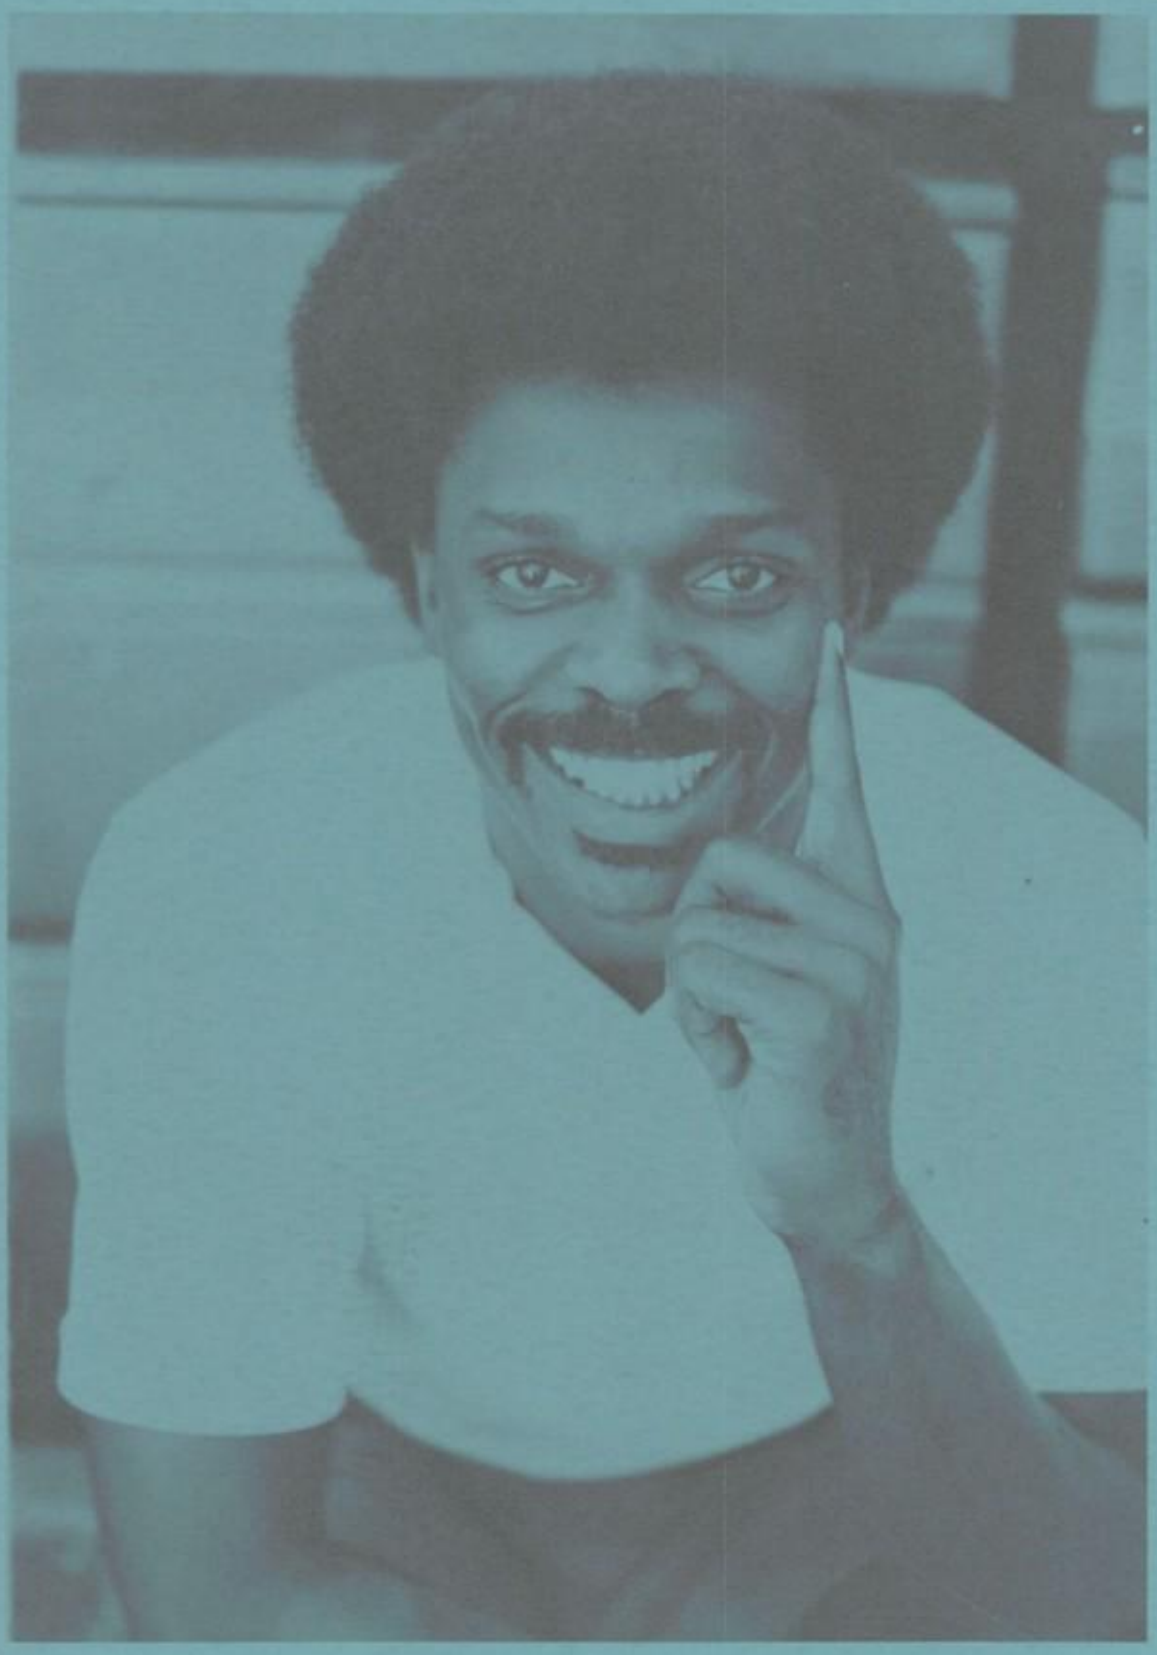


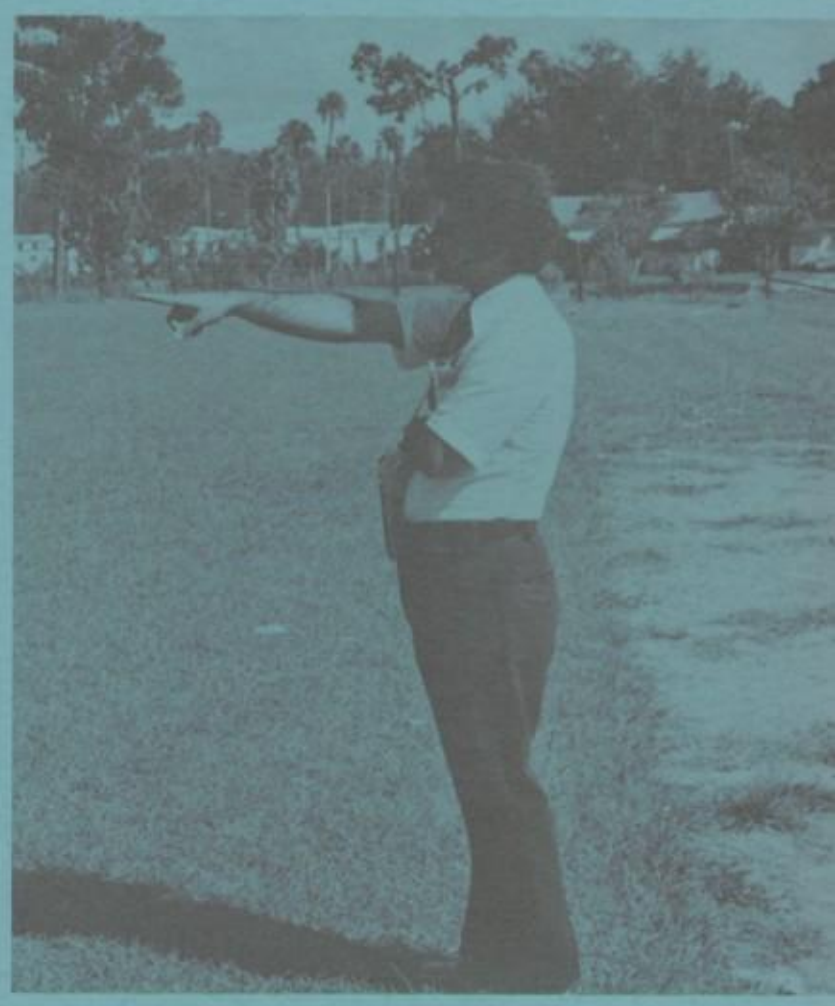
long ago, and
far away,
it seems . . .



. . . and now that we're into
that time of self-discovery, and
experimentation — can we do what
we've always dreamed . . . ?



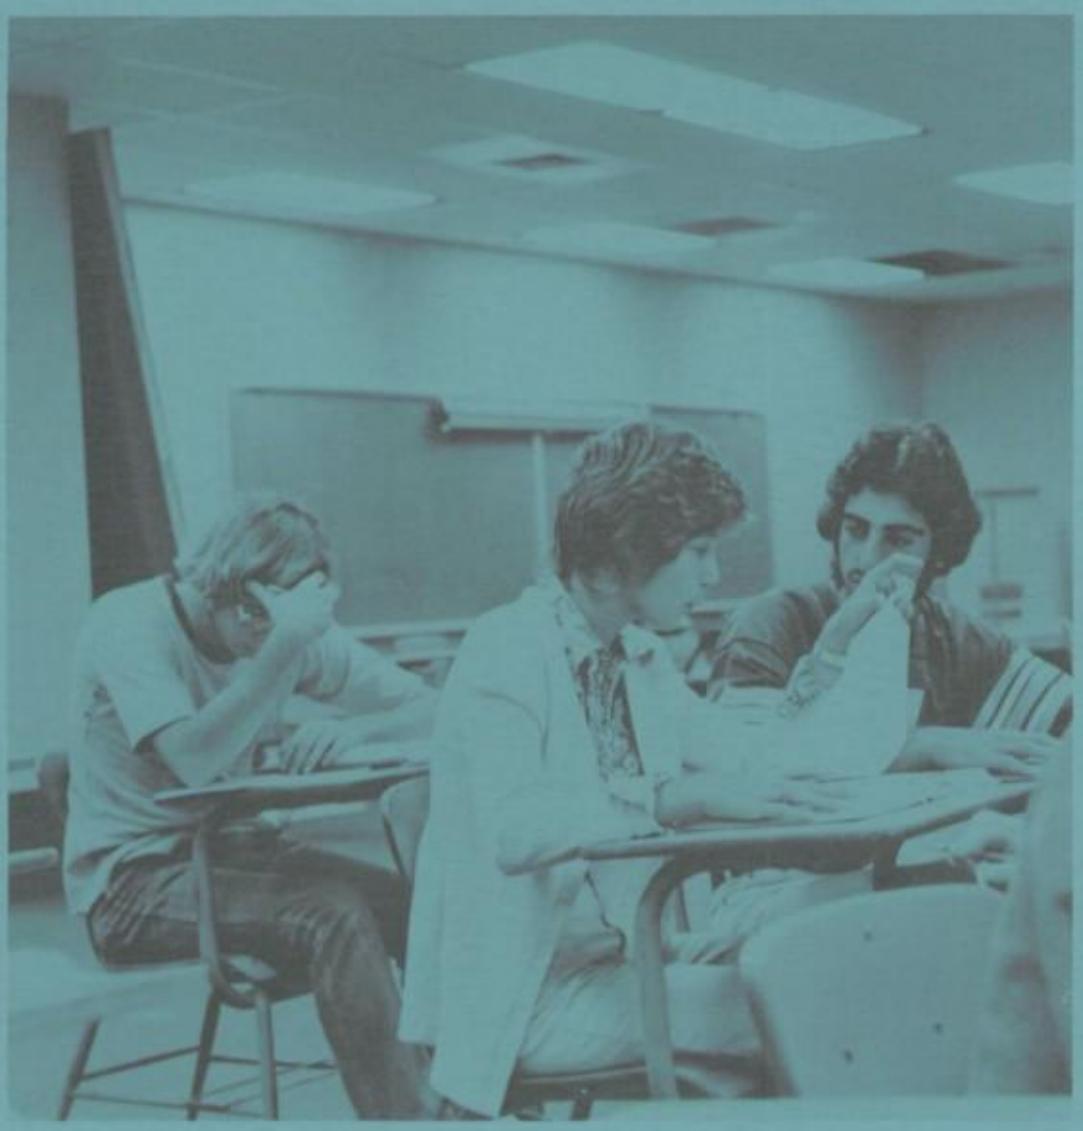


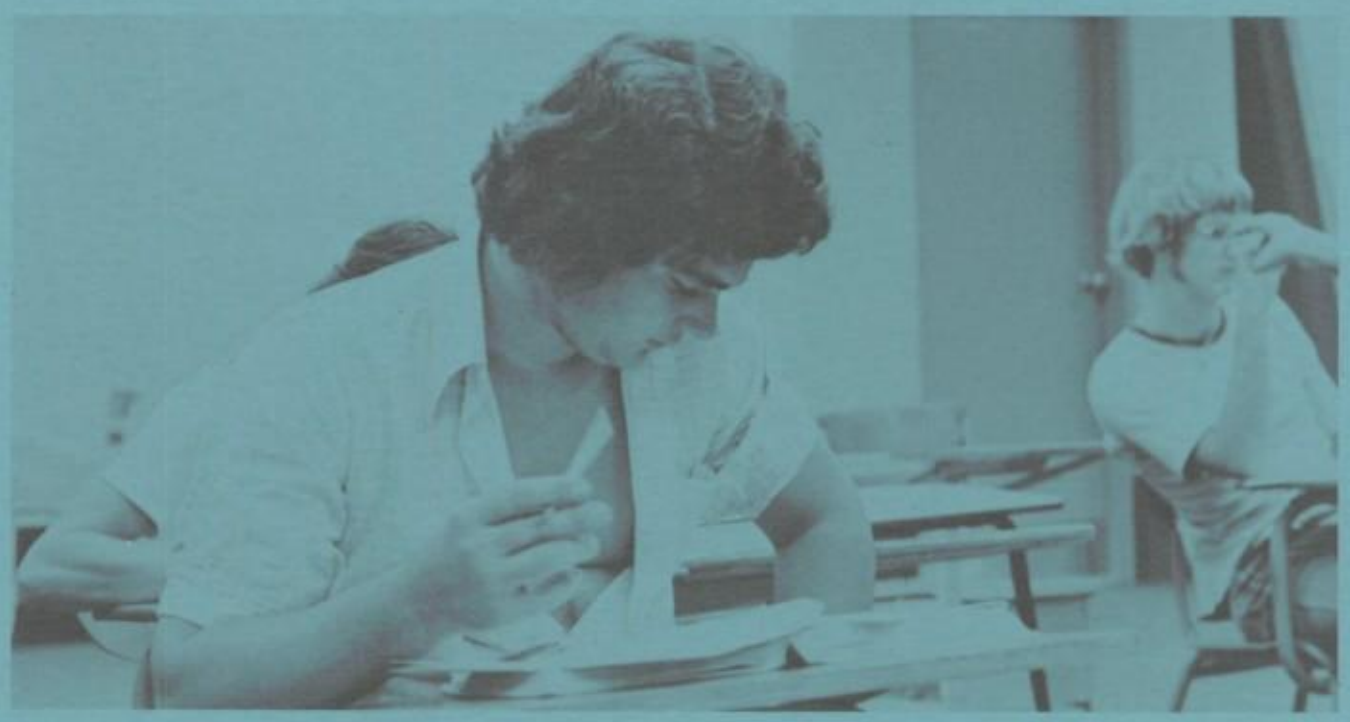


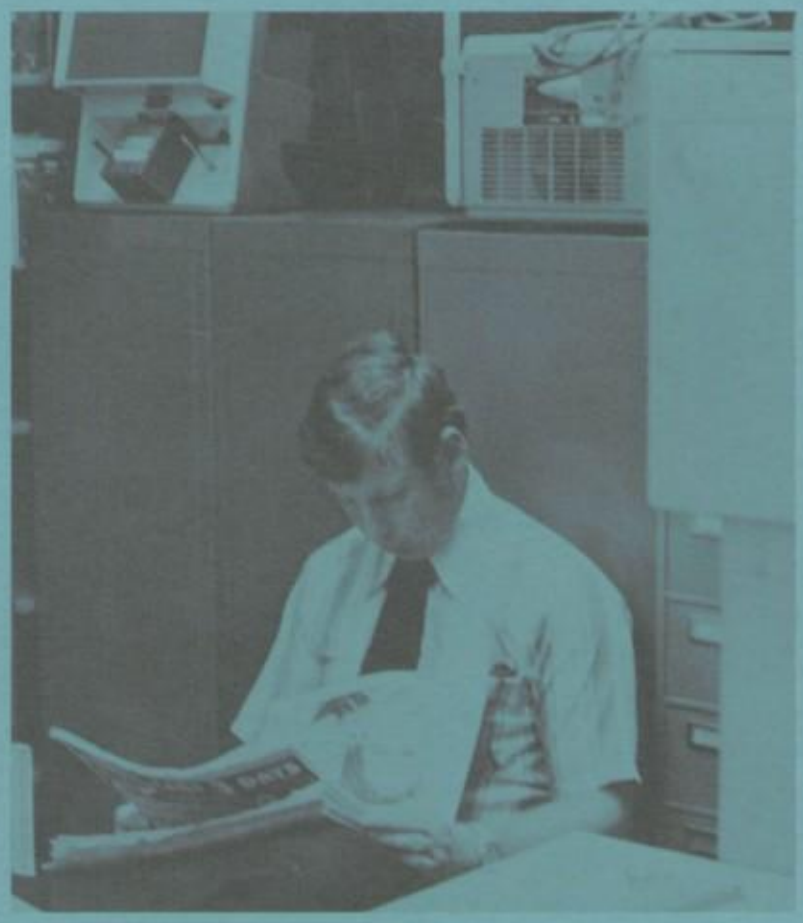
There were always people around to help . . . to teach, and to be taught.

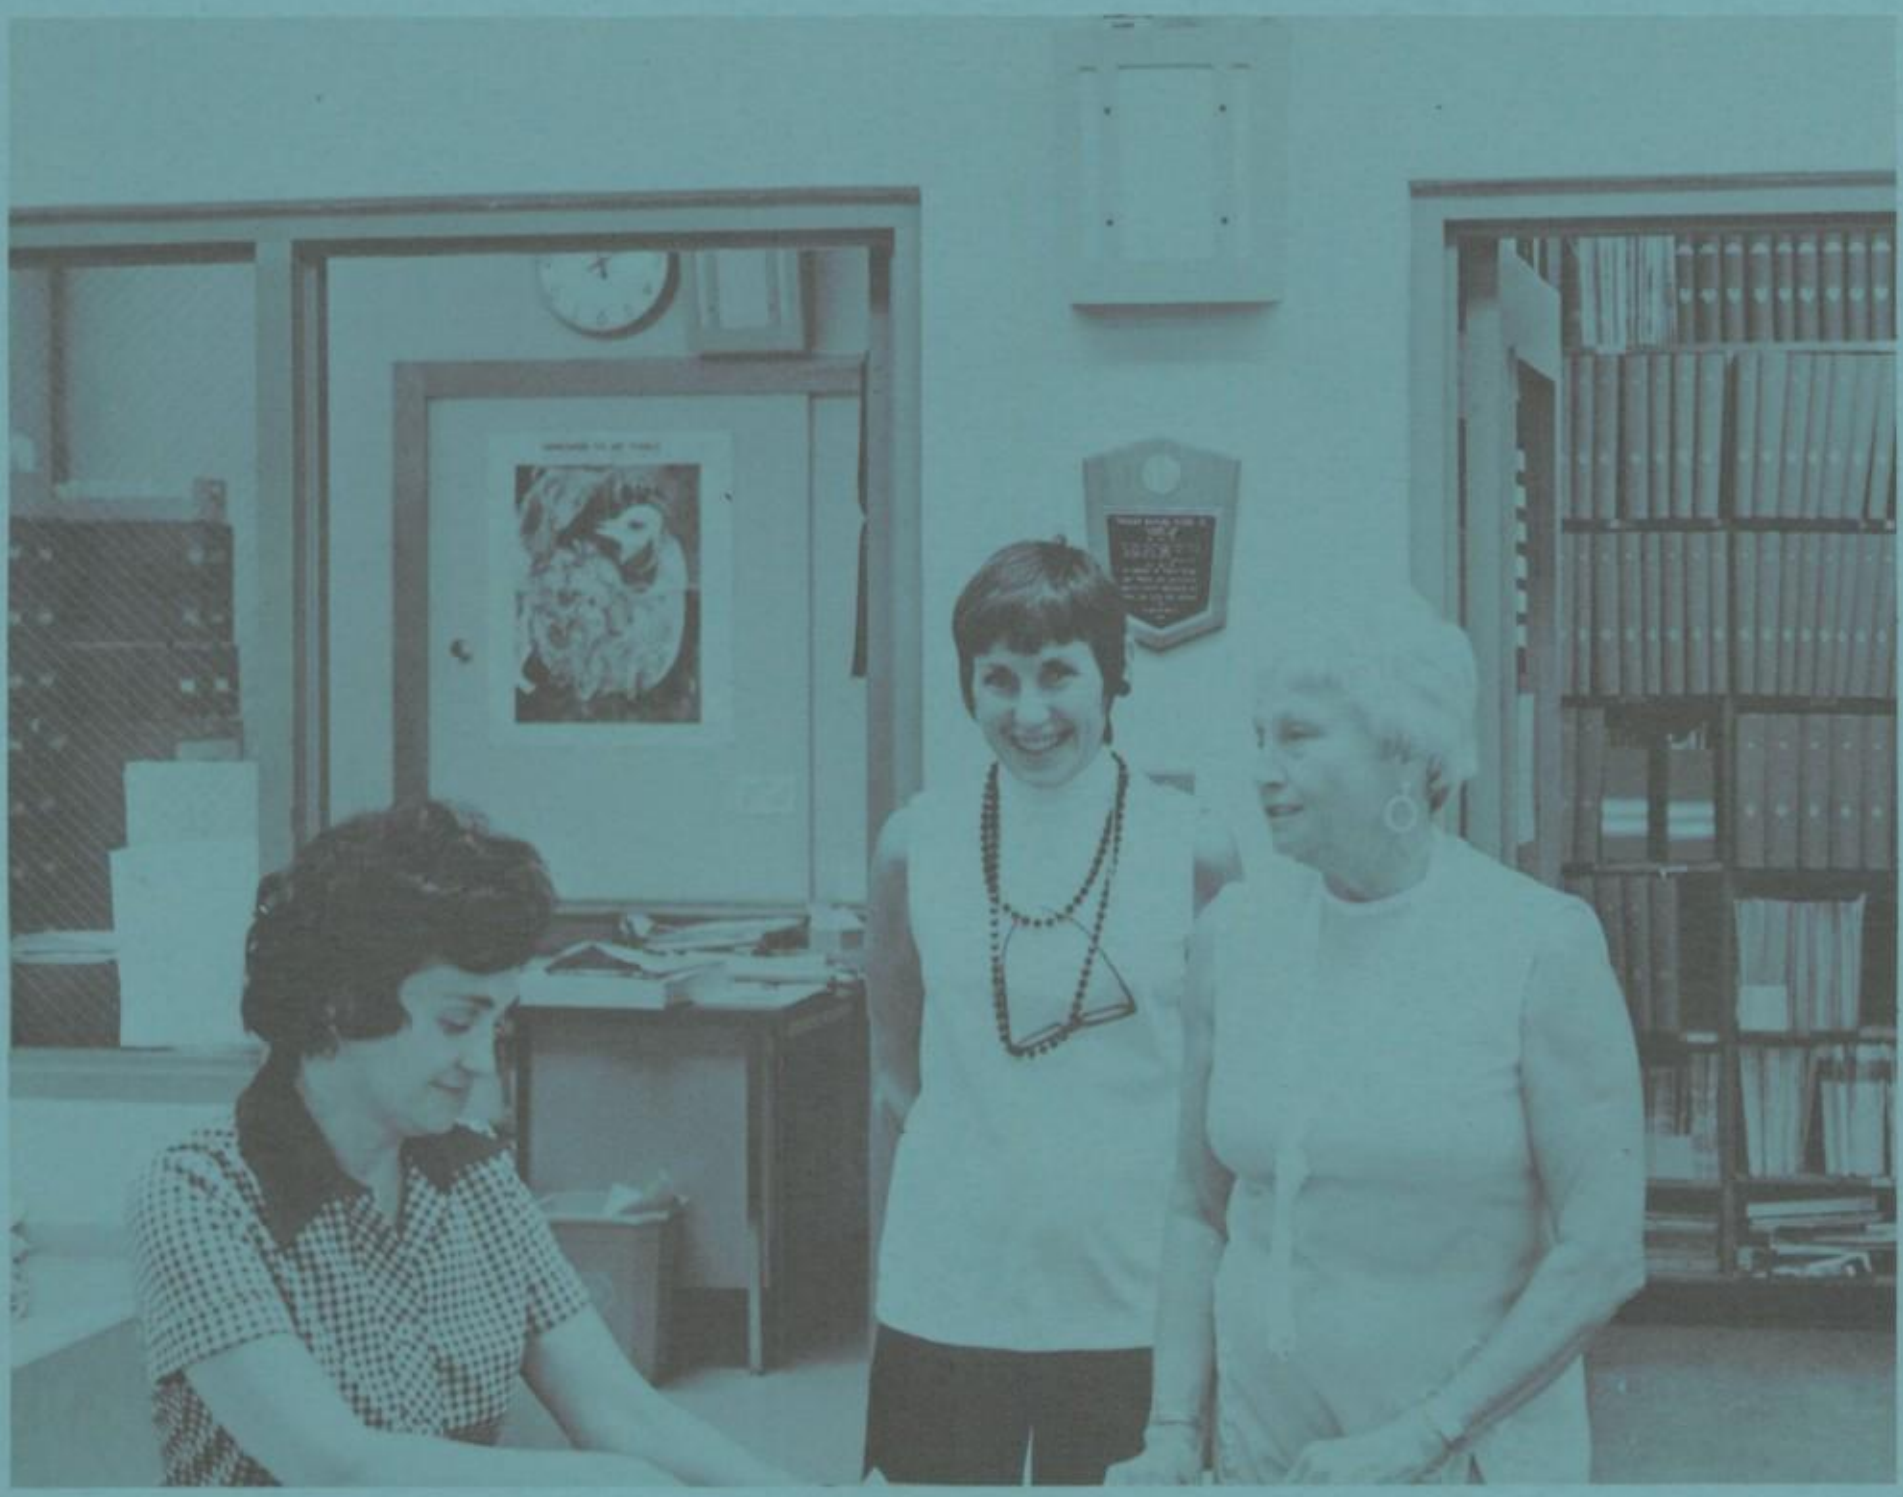
Those who were as enthusiastic about our plans as we were . . .

When working was not tedious,
but enjoyable, because we worked
together . . . and sometimes alone . . .
All of those things that were
funny at the time — and still are . . .









There were places we could go and people we could join when we didn't feel like being silent . . .

The library was a place of thought, production, and quiet interaction . . .

We learned to develop and use our senses, and to be aware of every action around us . . .

We were the action . . .
though we left behind traces of
ourselves, the people we once
were . . .

And even as we discarded things
we felt were useless, we found ourselves coming back from places we once were,
TOWARD WHERE WE WANT TO BE.

We, the members of the staff, would like to dedicate this yearbook to two outstanding people formerly at Gulf High, Mr. John J. Gallagher and Mr. Arthur O'Donnell.

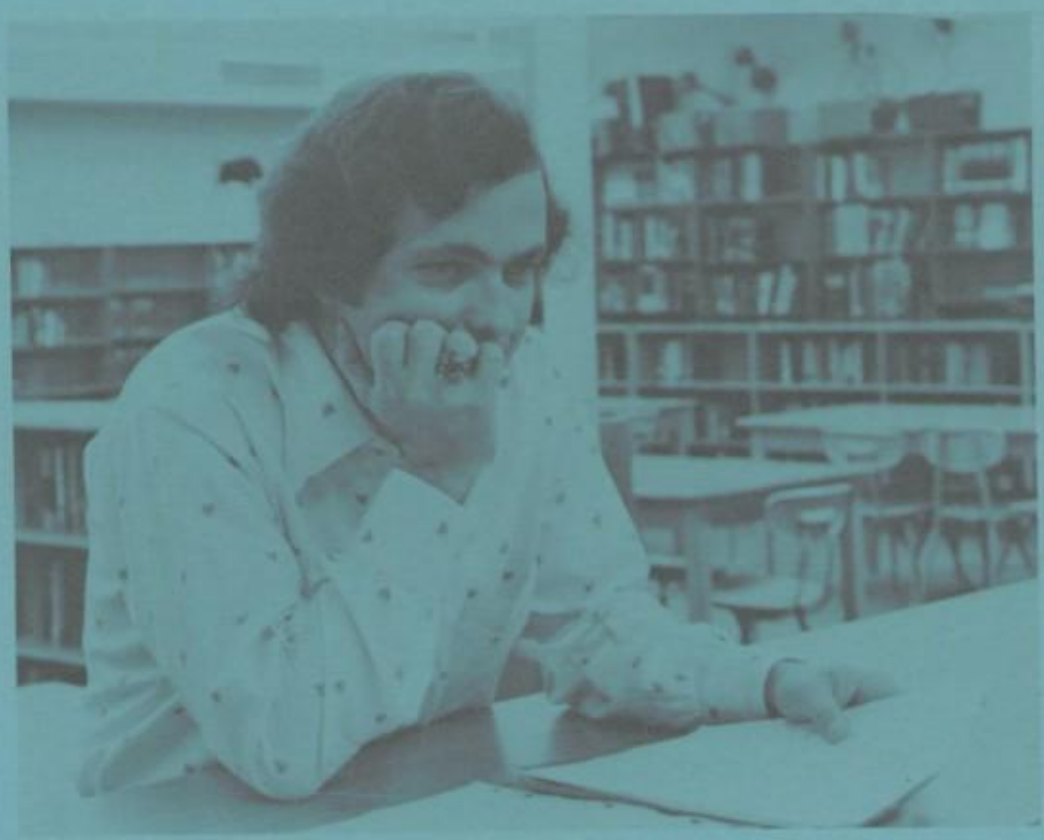
Mr. Gallagher was born March 6, 1947 in Brooklyn, New York, and attended Gulf. He received his B.A. in Political Science April 26, 1969, at Saint Leo college.

His outside activities while teaching at Gulf prodominently dealt with the city council and the Jaycees.

Mr. Gallagher has relocated to the Washington, D.C. area in order to attend American University and obtain a Masters Degree in Public Administration.

His philogophy of teaching is "a teacher should try his best to ultimately educate every student that comes into his class".

He started teaching 7th, 8th, and 9th grade math in Jan. 1970. The next year until Dec. 1975, he taught juniors and seniors A.V.C., economics, American federal government, state and local government Saint Leo College.



Mr. O'Donnell was born Jan. 18, 1946, in South Amboy, New Jersey, where he also attended high school. He received both his B.A. and M.A. in math at Wagner College in New York City.

He is a member of the Rotary Club in New Port Richey. Mr. O'Donnell is now principal at Gulf Junior High.

His most memorable experience at Gulf High was a standing ovation given him during the Homecoming pep rally.

Mr. O'Donnell was principal of Gulf High from May 1974 to Nov. 1975.

Both of these men will be remembered with the fondest thoughts. We wish them both luck and invite them to come back to Gulf High at any time.

HOMECOMING WEEK activities came to a climax with the homecoming game against Clearwater Catholic. The Buccaneers were impressive on the field as they romped to a 46-6 victory. The colorful half-time festivities included performances by Gulf's band, the exhibition of class floats, and was highlighted by the announcement of *Shawna Jones* as homecoming queen.

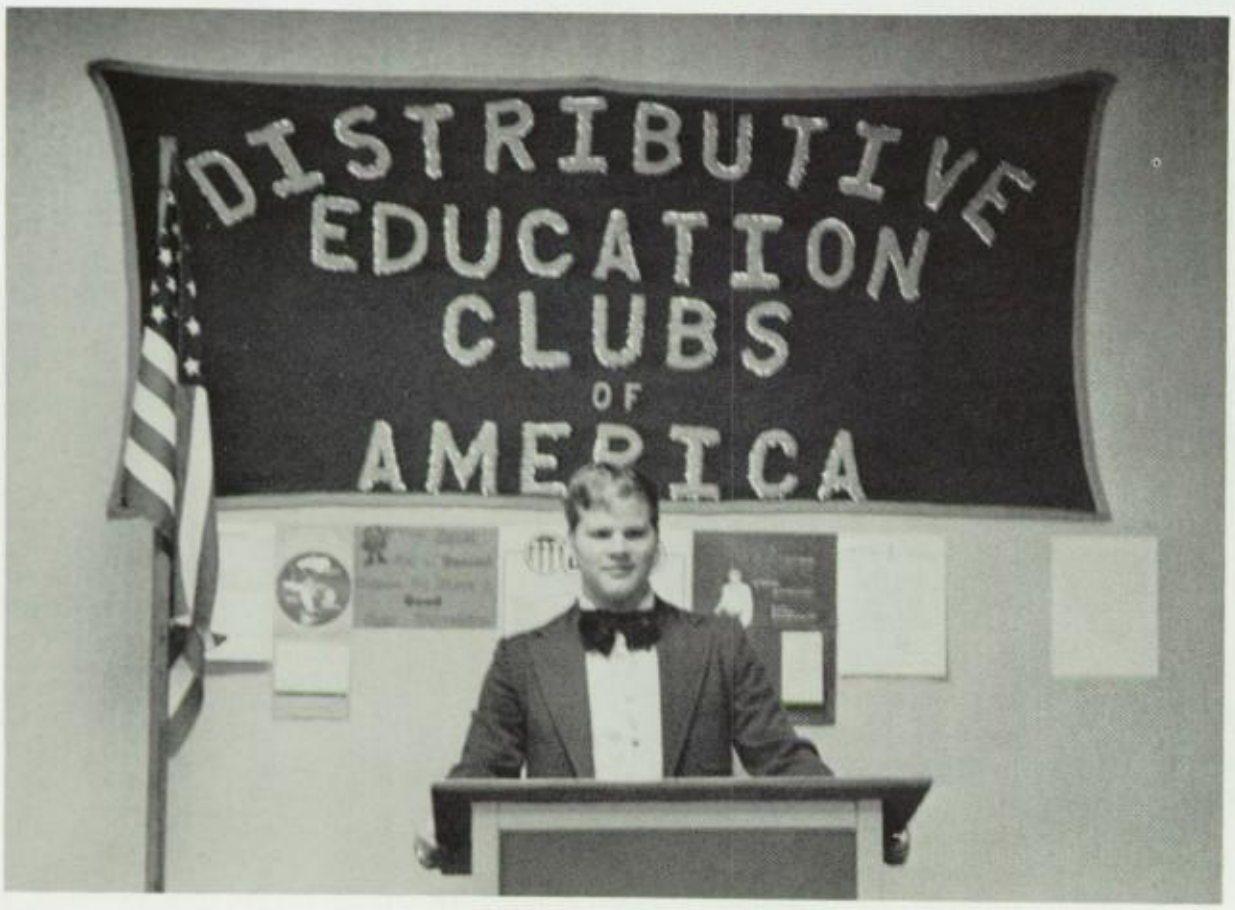
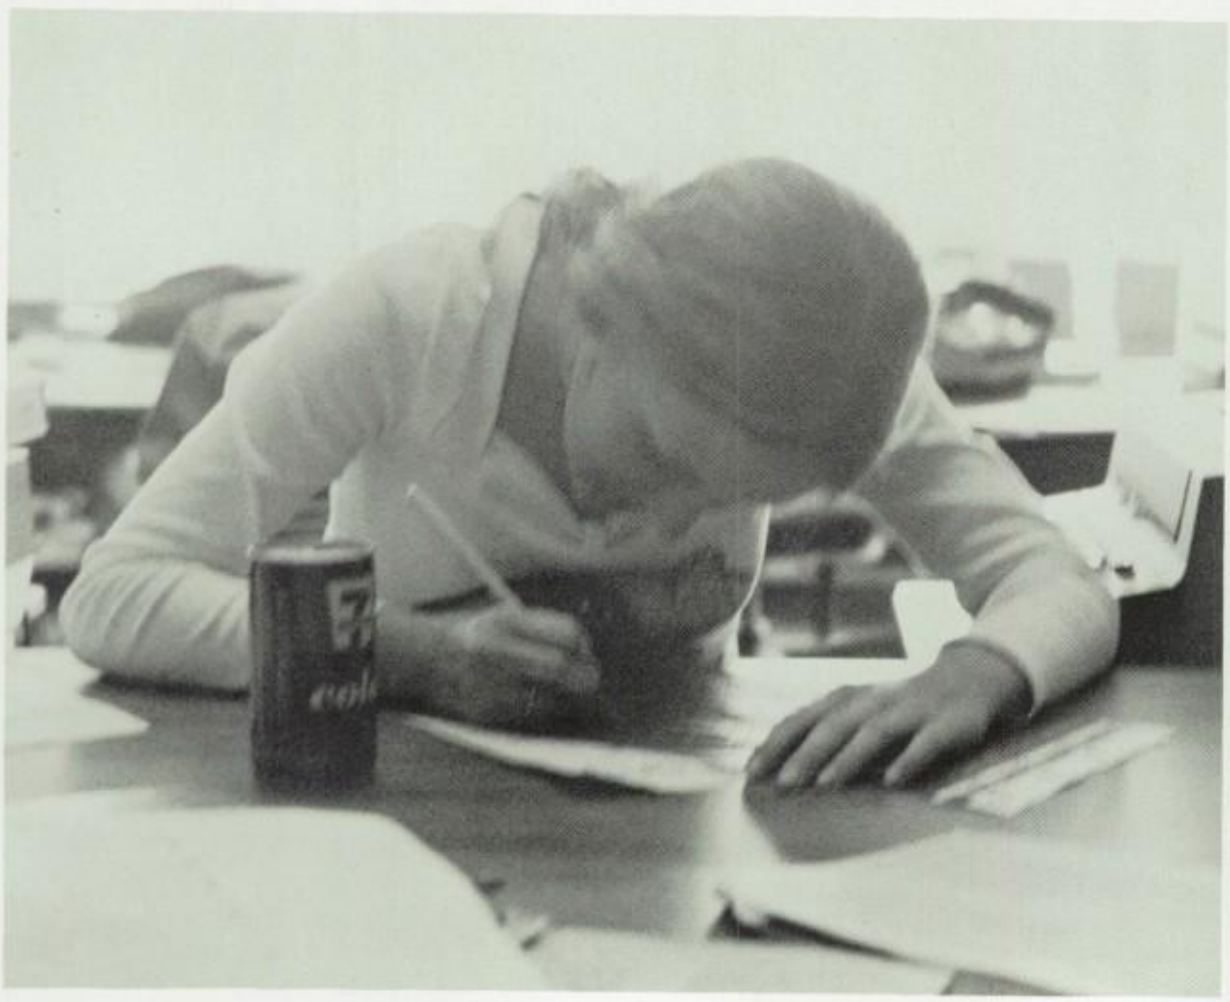
ORGANIZATIONS





THE YEARBOOK STAFF

WORKS TO MEET DEADLINES.

The 1975-76 Gulf High Yearbook has been sponsored this year by Mr. Jim Lane. As the people on the yearbook know, he has spent much time working on the "Buccaneer" yearbook. Mr. Lane has been very patient and helpful in putting it together.

Our editor this year is Tracy Wardell, a senior, who, although has never worked on a yearbook before, is doing an excellent job. She also put together the opening section.

The section editors, are: Susan Seims, *Student Life;* Bret Larson, *Organizations;* Tom Marsh, *Sports;* Hubert Hancock, *Faculty;* Lynn Bingham, *Underclassmen;* Libbey Gavin and Bob Cleary, *Seniors;* and Donna Kay, *Ads.*

With few people on the yearbook staff, long hours were spent working with the layouts and rushing to meet deadlines.

The active members feel that with all the time and effort spent on the yearbook, it is the best yearbook ever. We hope you agree.

Lynn Bingham works on getting some film in the mail.

Members are, Liz Angelroth, Debbie Boone, Susan Seims, Katie White, Donna Kay, Gail Camp, Patty Miks, Patty Deneen, Debbie Griffis, Sallie Standiford, Kathy Horan, Libbey Gavin, Ron Marlowe, Sally Riemer, Kevin Stageberg, Ann Reece, Mary Jane Raymond, Dave Helfrich, Art Camp, Jim Allen, John Cousino, Lynn Bingham, Bret Larson, Tracy Wardell, Hubert Hancock, Tom Marsh, Tom Wolff.

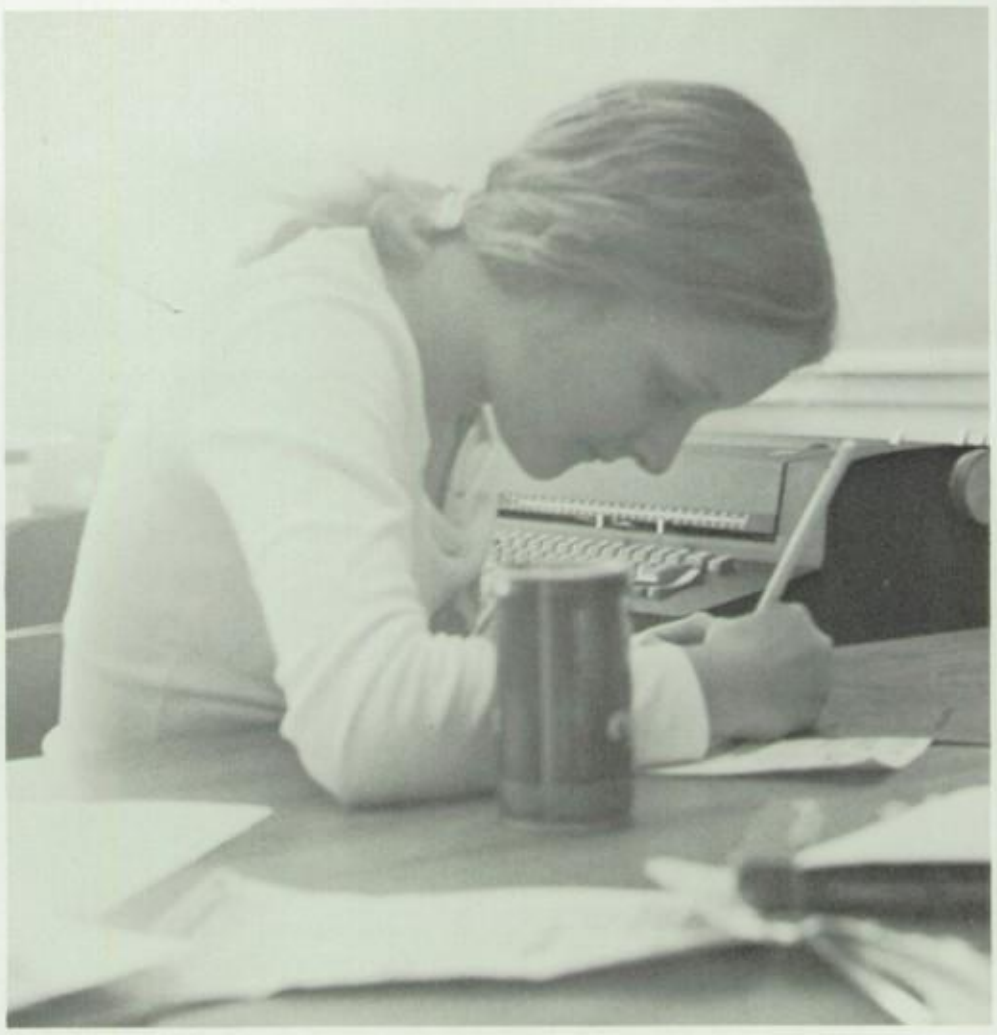
THE NEWSPAPER STAFF

KEEPS THE STUDENTS INFORMED.

"The Buccaneer", your school newspaper, was started because many students and teachers felt a school paper might build more spirit in the school.

Mrs. Muriel M. Burnette is the advisor for the paper, which is published by FBLA. The staff consists of Mary Carter, *Editor;* Gary Souder, *Co-Editor;* Cheryl Baer, Mary Morrill, Jake Hollingsworth, Tim Fillipietz, Sandy Jefferson, Vicki Maurer, Terry Bartz and Jane Clark.

The first issue of the "Buccaneer" came out 2 weeks after school started and has been published every 2 weeks since then.



Mary Carter, Editor, works to meet deadline.

Row 1 — **Timothy Fillipietz, Gary Souder, Vicki Maurer, Sandi Jefferson.** *Row 2* — **Mary Carter, Cheryl Baer, Mrs. Muriel M. Burnette, Mary Morrill, Jane Clark.**

THE GYMNASTIC CLUB

LOOKING FOR COMPETITION.

This year, the Gymnastic Club got underway better than ever. The coach is Mrs. G. Richey. President of the club is Kate Schneider; Vice President, Kim Helfrich; Secretary, Linda DuPont; Treasurer, Heidi Dieter; Sgt. of Arms, Lisa Coccaro.

There are about 20 girls in the club and they have been working on floor tumbling and beams. They also have several projects to raise money to buy new equipment. Performing at the County Fair and in front of the student body has been hard work, but has been well satisfying for these girls. They are working mostly for competition.

Mrs. G. Richey watches as the girls practice gymnastics.

Left to Right — Lisa Coccaro, Teresa Mabe, Vicky Timmons, Kim Helfrich, Heidi Dieter, Vicki Share, Sindy Bush, Carla Cook, Jody Evans, Linda DuPont, Lana Lemon, Donna Wich, Cassandra Harris. *On Bar* — Kate Schneider. Advisor — Mrs. Gwynette Richey.

DECA

GETTING READY FOR DISTRICT CONTESTS.

DECA stands for Distributive Education Clubs of America. As a club, they are involved in activities concerning marketing. Students are employed and are dismissed after fourth period.

CDE consists of classroom study, on the job training and club activities. They also meet with other DECA clubs in contests in advertising, selling, public speaking, free enterprise and math tests. The officers attend a training course in DECA at Orlando with other officers from all over the state of Florida.

DCT

LOOK TOWARD THE FUTURE.

The Diversified Cooperative Training program may be described as a flexible plan for training high school students in a variety of occupations to make use of the community and industrial establishments as training agencies.

This program is set up by dividing school days into four hours of classroom study and three or four hours of work in the occupation of the student. It should be emphasized, however, that the primary objective of the program is the occupational training received and that the program is not a program in which students may find a job in order to earn extra money and get out of school half a day.

This program may supply the student with a sense of leadership and help him with business law and to have a better attitide and outlook on life for his future in the world of work.

CBE

GETS ON THE JOB TRAINING.

CBE stands for three words:

C — Co-operation between school and community. The community's part is to offer jobs to school students for office experience. The school's part is to train the students and give them some knowledge of what is expected of them.

B — Business is the type of work students can go into, be it clerical or administrative.

E — is education in the business world and in school.

The CBE student receives three credits for the class; one for class time and two on the job. CBE is the class for the student who plans to go right in the business world after high school.

FBLA

RAISES MONEY FOR MARCH OF DIMES.

Three main purposes of the FBLA are education, service, and progress. The main interest points of the FBLA are the March of Dimes, conferences, and contests. Projects for raising money in the FBLA were the sale of jewelry and Christmas plaques. They also planned to have a road block for the March of Dimes. The reasons for raising the money are for donations given to the March of Dimes and for financing trips to conferences and contests.

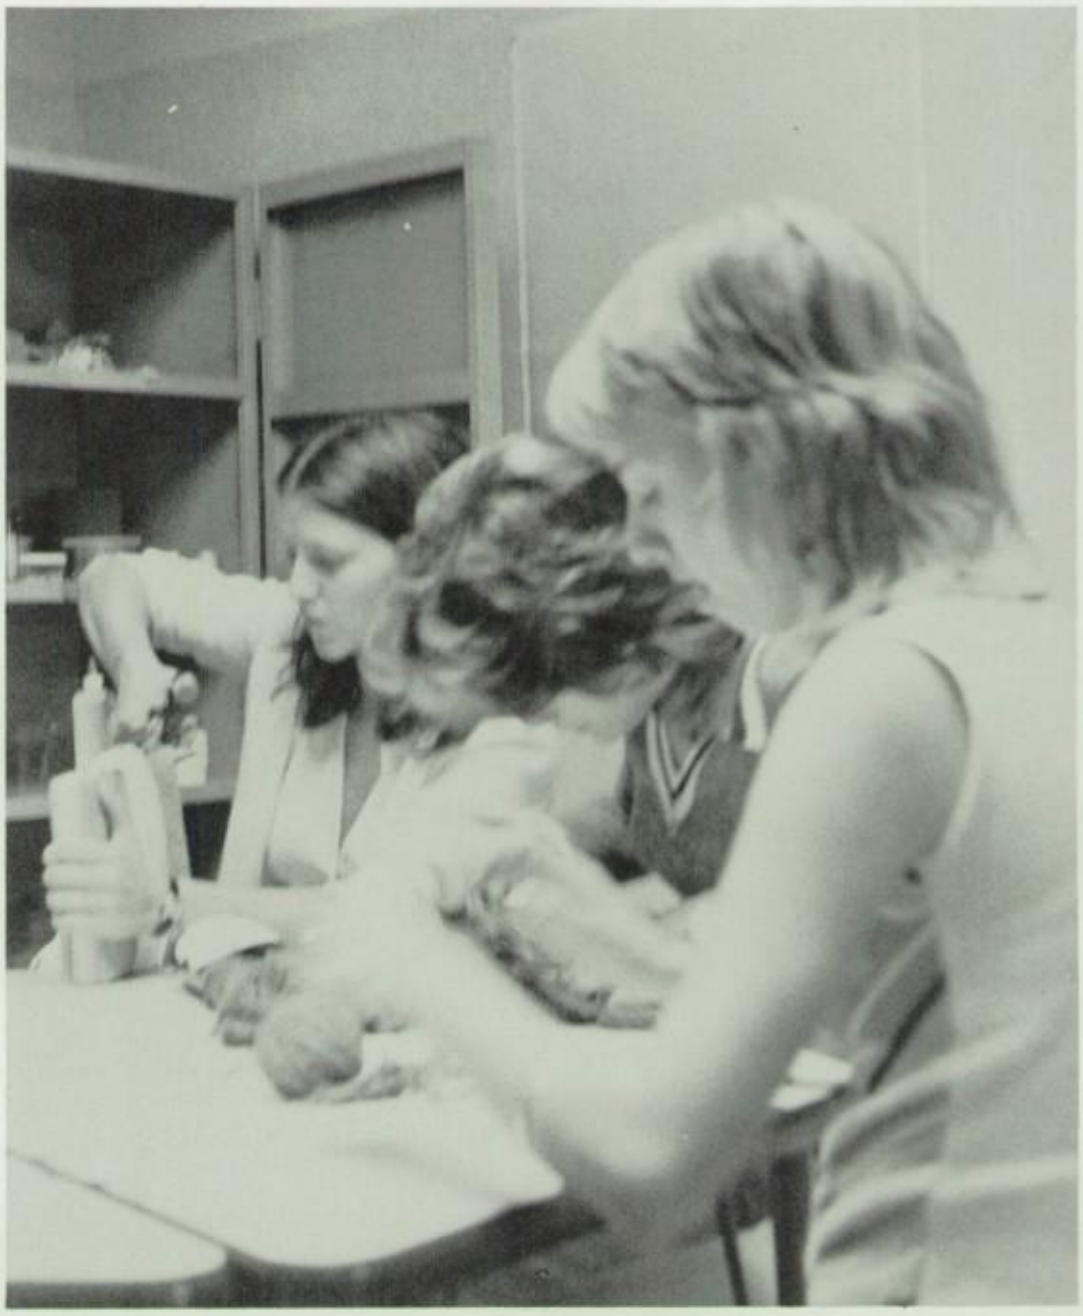
FHA

VISITS NURSING HOMES.

Future Homemakers of America is a national organization for home economics students. Students participate in school and community projects to expand their understanding of home economics beyond the classroom. The club is working on two major projects this year. Crafts were made to be sold at a Christmas bazaar to make money to send delegates to the state F.H.A. convention in Miami Beach. Throughout the year several girls attended a local nursing home to prepare special treats for the patients. F.H.A. is practicing helpful living.



Row 1 — Rose Mittasch, Darla Anderson, Tracy Wardell, Joanne Gilpin, Becky Hughes, Brenda Hutson, Jill Neuenfeldt. *Row 2* — Regina Price, Diane Merchant, Mindy Polinowsky, Mary-Therese Deegan, Joy Kiegel, Peggy Van Bemden, Bernie Kelm. *Row 3* — Patty Deneen, Deborah Gregoary, Kim Schutter, Jean Britton (Sponsor), Debbie Davide, Michele Johnson, Pat San Marco.

FFA
SELLS PLANTS.

The Future Farmers of America is a national organization for students of vocational agriculture. The primary aims of FFA are the development of agricultural leadership, co-operation, and citizenship.

The FFA is intra-curricular and originated as a part of the high school vocational agriculture curriculum. FFA activities encourage members to learn through active participation to conduct and take part in public meetings, to speak in public, to buy and sell co-operatively, to solve their own problems, to finance themselves, and to assume civic responsibility.

FFA officers are: *Row 1* — Ronnie Newman, *Pres.;* Bill Beck, *V. Pres.;* Mike Dauphin, *Treas.; Row 2* — Cathy Nixon, *Sentinal;* Cheryl Morrow, *Reporter;* Diana Cook, *Sec.;* Carol Biggs, *Chaplain.*

Kneeling — Tom Hermansen, Ronnie Newman, Bill Beck, Mike Dauphin. *Row 2* — Cathy Nixon, Carol Biggs, Cheryl Morrow, Diana Cook, Jeanette Hardin, E. S. Young, Rick McCabe, Mike Davis, Pam Atno.

HEALTH SERVICE AIDES

Health Service Aides is a health career search vocational program.

Health Service Aide I is a one year course set up for an hour a day for a full year. In it students learn basic procedures common to all health and safety workers, medical terminology, basic anatomy, and psycology. With this background plus several field trips to health facilities, guest speakers, and films, the student will be equipped to make a career choice.

In Health Service Aide II and III, which are each a three hour block for one half the year, the students wear a uniform, name tag, and school patch and go out into the community as a volunteer and actually work in many different Health services.

There are about 95 members in the program.

Judy Sabo signs in too.

Row 1 — Sharon Johns, Kathy Aland, Marcy Fielding, Judy Sabo, Sylvia Delano, Penny Biggs. *Row 2* — Diana Montefusco, Gail Camp, Catharyn McPherson, Mrs. Savaria, Cindy Hatmacher, Patty Miks, Kathy Mitchell, Anne Levatino.

THE STUDENT GOVERNMENT

HELPS THE STUDENTS WITH THEIR PROBLEMS.

The Student Government is an organization of students, formed to hear complaints from students and to help with the school problems. For example: If a student has a complaint and he thinks it is legitimate the Government listens to it and tries to correct or help out with the problem. It also organizes for school wide activities in which the whole school can participate. The Government tries to handle as many problems as it can so that students can and will come to them with their problems. It also tries to put on the activities that the student's want and would participate in. That is especially hard because of the lack of participation of the majority of the students.

The president of the student government is Sam Williams; *Vice President,* Dave Helfrich; *Secretary,* Shawna Jones; and *Treasurer,* Bob Cleary.

Mr. Sherwood, sponsor, listens intently to student's problems.

Row 1 — Bob Coughlin, Vicki Timmons, Liz Angleroth, Debi Carr, Kim Helfrich, Sally Riemer, Kathy Horan, Sam Williams, Tom Wolff, Dave Helfrich. *Row 2* — Mary Sherman, Cathy Holland, Linda Mountz, Susie Buttermore, Joyce Howard, Vicki Alexander, Dori Rathert, Chuck Pitcock, Cindy Tutor, Charles Metzkes. *Row 3* — Cookie Kontoupis, Louise Seely, Karen Burney, Tammy Thivierge, Tracy Wardell, Shawna Jones, Jeff Bush, Deonna Clyatt, Tim Borland, Bob Hartzell. *Row 4* — Ann Mullery, Bob Cleary, Mark McConnell, Michele Johnson, Mark Neuenbrock, Debbie Goluba, Patty Sharpe, John Nadeu, Linda Hughes.

THE NATIONAL HONOR SOCIETY
IN ITS SECOND YEAR.

The National Honor Society is an organization that has at its present time 55 members. To belong to the society students are selected by a panel of teachers. One must maintain a minimum grade point average of 3.0 The student selections are based upon leadership qualities, scholarship, community services and, above all, character. All of the members meet the above qualifications.

Officers are: Bruce LaRocca, *President;* Dave Helfrich, *Vice President;* Jean Leighty, *Secretary;* Bob Cleary, *Treasurer.*

Row 1 — Julie Wilson, Dori Rathert, Gerard Schneider, Jean Leighty, Beth Drydan, Kate Schneider. *Row 2* — Bob Coughlin, Nancy Larrett, Bill Keyes, Mary Carter, Bruce LaRocca, Tracy Wardell, Bob Cleary, Lynn Bingham, Tom Wolff. *Row 3* — Mrs. Schreier, Leonard Casson, Donna Kay, Greg Connors, Jill Atkins, Mark Mosley, Patty Cribbs, Ronald Marlowe, Lisa Coccaro, Diane Desmeris. *Row 4* — Libbey Gavin, Debbie Goluba, Linda Ross, Kim Thuerer, Scott Rader, Rick Friday, Becky Trulock, Patty Sharpe, Kathy Horan, Laura Vlahkis, Dave Helfrich.

SPANISH HONOR SOCIETY

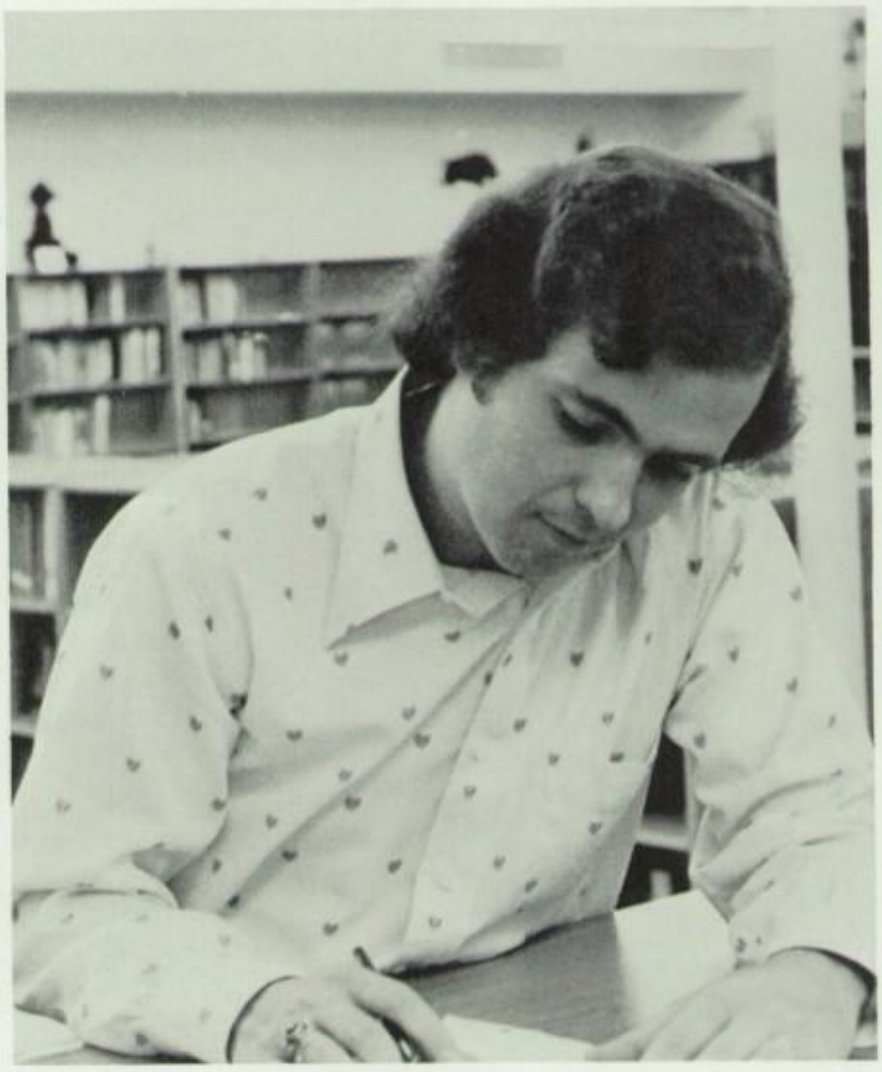
The National Spanish Honor Society is organized for the purpose of encouraging students to study Spanish. Students learn about Spanish speaking countries so they can promote friendship between people of these countries, and can travel to Spanish areas of the United States. Each year the Spanish Honor Society sponsors a trip which is open to all students enrolled in Spanish classes. The name of the chapter at Gulf High is Padre Luis. All members are on the National Honor Roll. All chapters are under a teacher member of the American Association of Teachers of Spanish and Portuguese. The sponsor is Mrs. Helen Richey.

Officers are: Bob Hartzell, President, Vicki Share, Missy Carraccio, Scott Rader.

Row 1 — Suzie Buttermore, Mary Meeker, Shawn Kern, Teresa Mabe, Missy Carraccio, Bob Hatzell, Charles Nisiotis. *Row 2* — Vicki Share, Mary-Alice Haverty, Carol Ann DiStasio, Scott Rader, Mrs. Helen Richey, Dan McLaughlin, Carla Cook, Teresa Rankin, Dawn Durham.

SOCIAL STUDIES CLUB

WORKS TO TRIP TO WASHINGTON.



The Gulf Comprehensive High School Social Studies Club was organized to help develope interests in the fields of the social sciences.

One of the main purposes of this club is to raise money for the annual Jack G. Moss Award, which will be given to a graduating senior who demonstrate promise in the field of the social sciences.

The club also participates in the following activities: The Presidential Classroom, which is a trip to Washington D.C.; The Voice of Democracy Contest, Veterans of Foreign Wars Oratoricla Contest; and many more activities which will be of interest to students who want to stay informed.

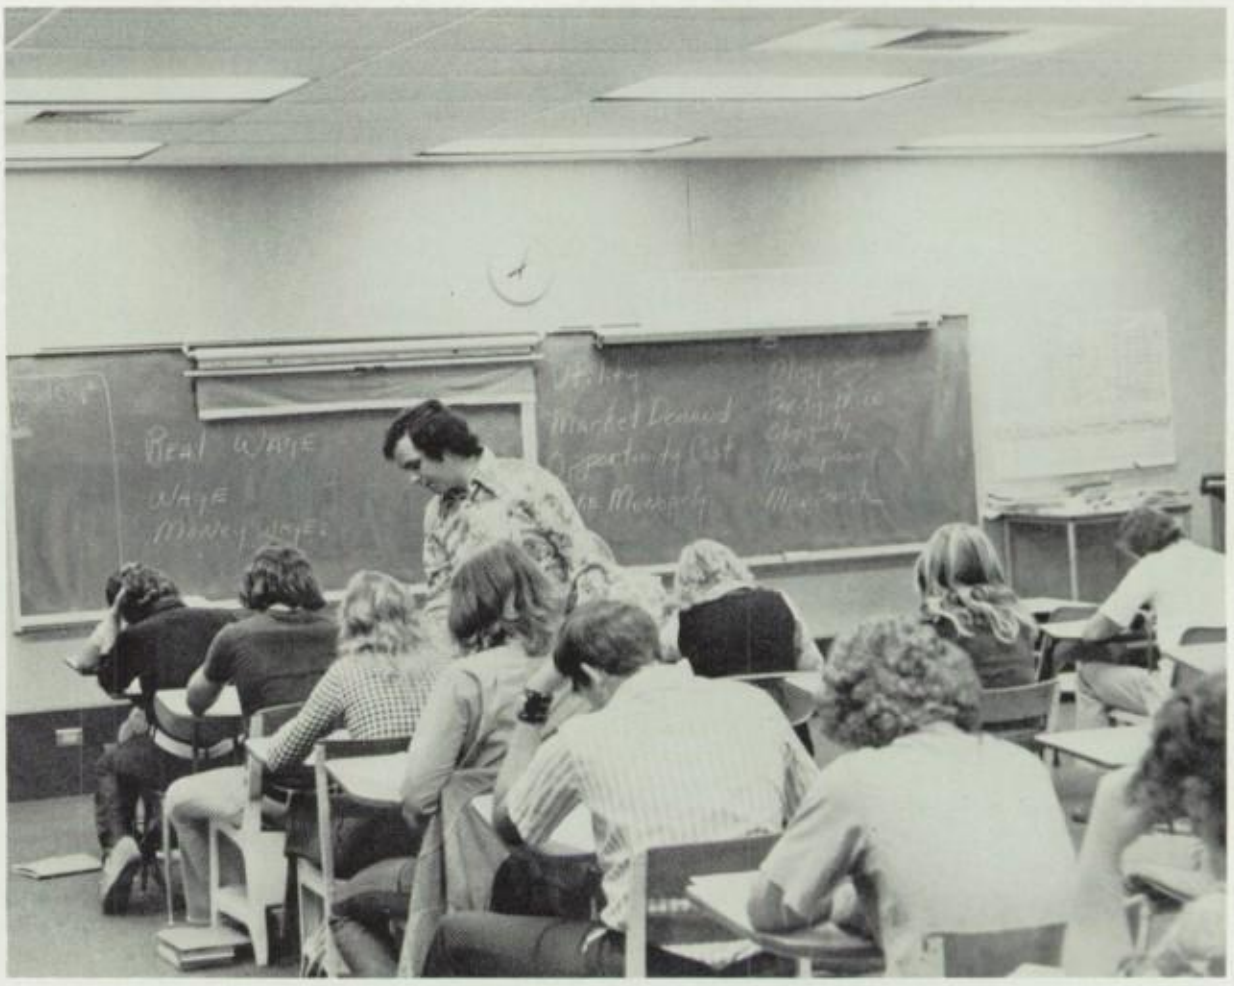
Row 1 — Sam Williams, Bob Hartzell, Bob Cleary, Tim Borland. *Row 2* — Libbey Gavin, Becky Trulock, Donna Kay, Susan Seims.

CATEGORICALLY SPEAKING

Categorically Speaking is a television program in which high schools compete against each other by answering a multitude of questions.

Each school chooses five students and at least one alternate to represent their school. These members must be full time high school students and cannot be taking any college level courses.

The sponsor this year is Mr. Gallagher and team captain is Debbie Bereheiko.



Mr. Gallagher, the sponsor, helps students.

G-CLUB

NOW HAS 46 MEMBERS.

"HAIR"
FIGHTS FOR FREEDOM

The controversial senior class play "Hair" brought this quote from School Board Chairman Jay Starkey: "Maybe they should have changed the name from Hair to Fuzz."

Twenty-six members from Gulf High performed the modified version from the original script of "Hair" and made it acceptable as a high school play.

The members of the cast, band and stage crew put in many hours of work and as a result had successful performances, as well as a favorable review from the Dec. 11, 1975 issue of the Tampa Tribune.

Many thanks to Mr. Bob Hicks and Mr. Dan Fortuna for producing, directing and helping to make the play such a success.

Dave Helfrich plays the lead as "Claude".

Tracy Wardell plays the part of "Leata". *(Above)* Helfrich and "The Tribe". *(Below)*

TOTAL SOUND

SINGS FOR THE COMMUNITY

TOTAL SOUND, Gulf Comp. High School Ensemble directed by Mr. Connie M. Perdue and composed of selected outstanding choral students was a very popular singing group that performed throughout Pasco County. This ensemble was formed three years ago with the purpose of providing a special group to perform primarily for activities outside the school. Since their beginning they have been ambassadors of good will from the school to the surrounding community.

TOTAL SOUND has received recognition throughout the state. They received a "Superior" rating in both the District Festival and State Festival in Florida. They also received a Special Award of Appreciation from the Pasco County Fair. The Ensemble also traveled with the chorus to the National Festival in Atlanta, Georgia, in May.

THE '76 GULF HIGH BUCCANEER BAND

The Gulf High Band of "Buccaneers", under the direction of Joseph R. Toia with Drum major James Hooker, has accompanied our varsity football team throughout the season. Traveling from Inverness to Bradenton, the band has proudly represented Gulf High in their halftime shows. Many Buccaneer followers have enjoyed hearing selections ranging from the Dixieland jazz of "Mississippi Mud" to the modern beat of "Rock the boat."

In keeping with the Buccaneer spirit, the band played during all pep-rallies.

Other band activities included parades, concerts, and fund-raising events.

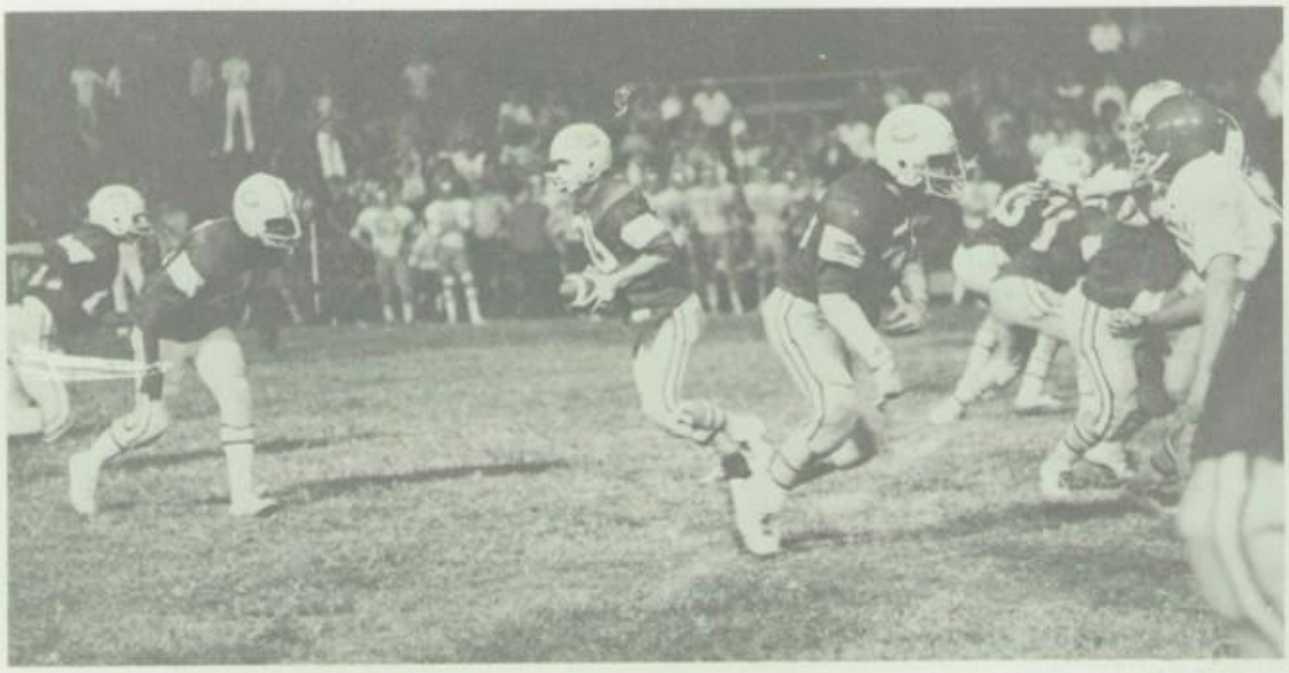
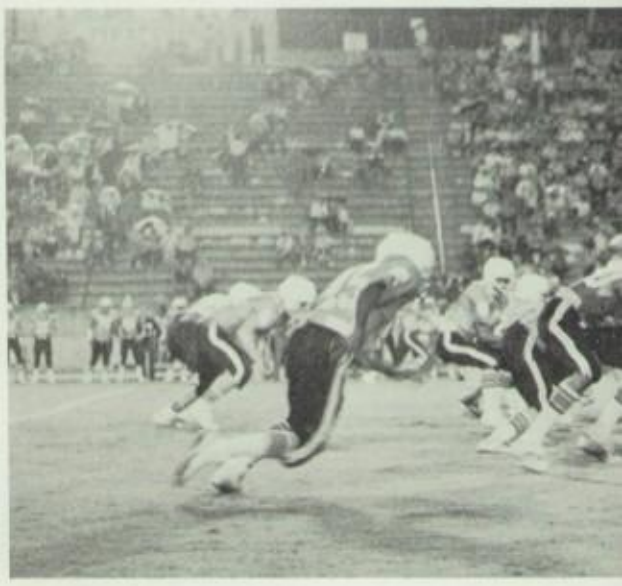
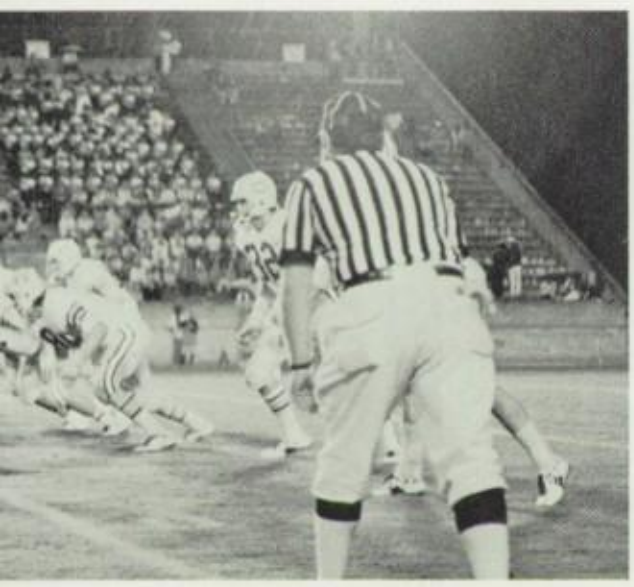
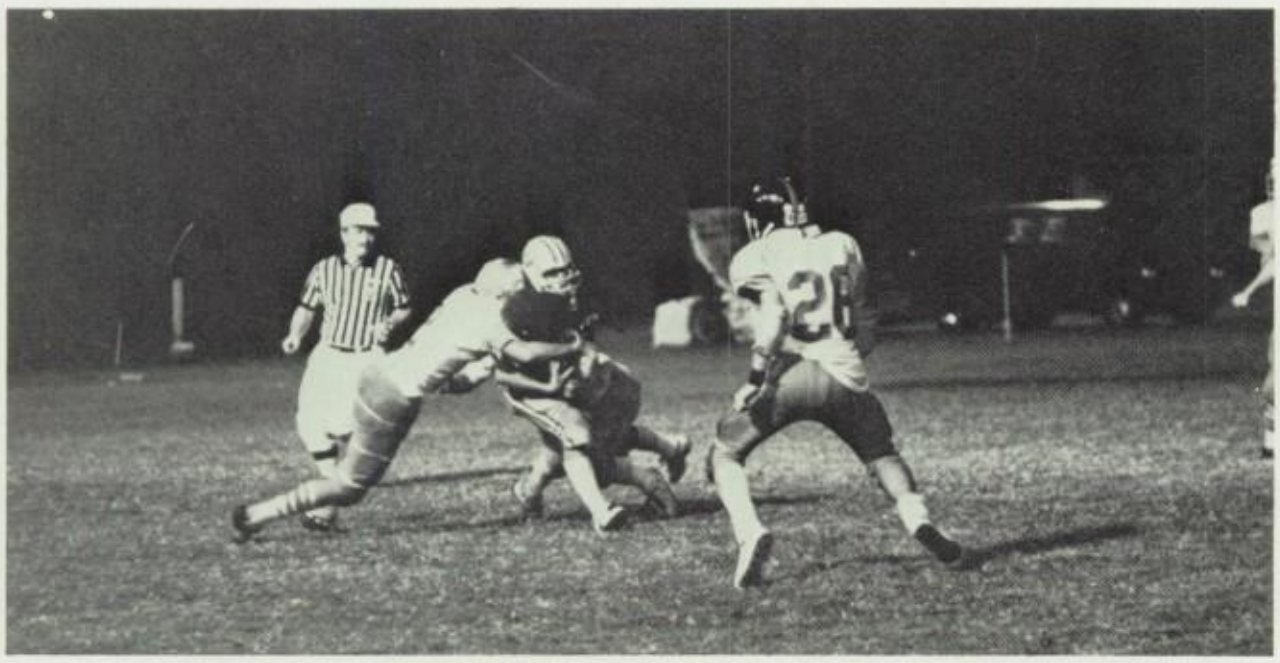
SPORTS

The 1975-76 Buccaneers started off as winners. A strong offense and a stronger defense stunned opponents . . .

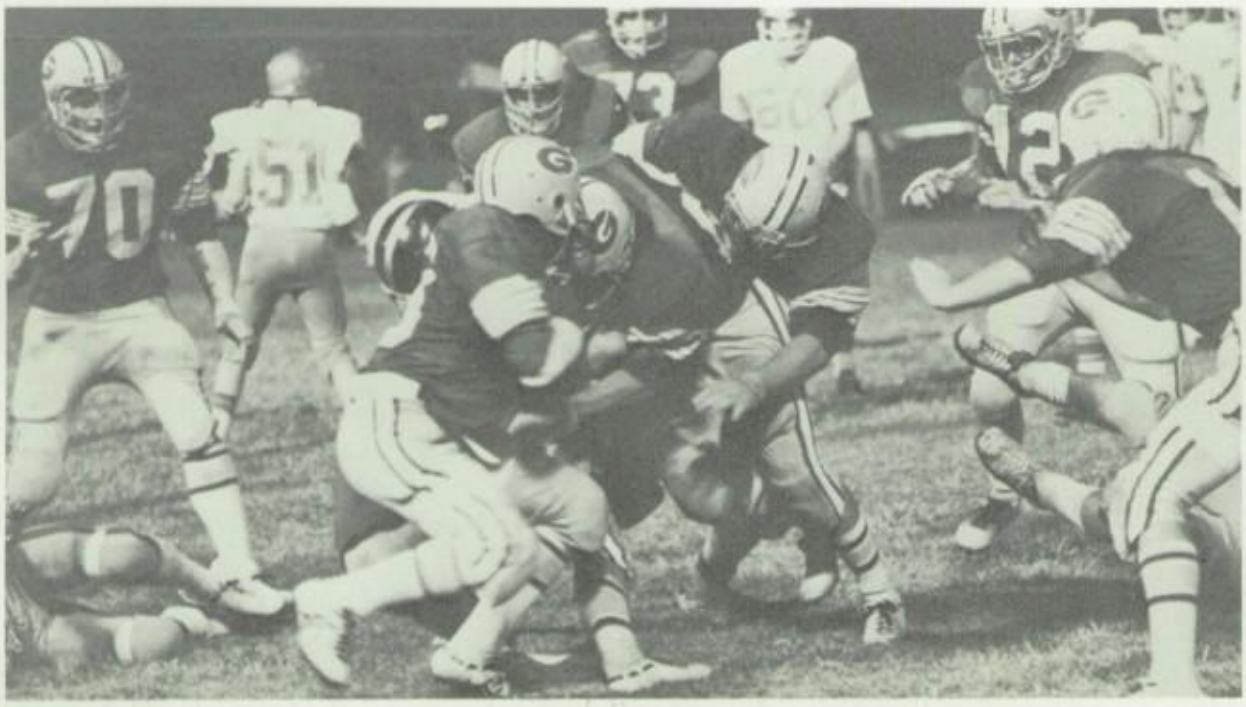








..... but Gulf's dreams of a winning season were shattered. We did, however, win our first homecoming since 1969.

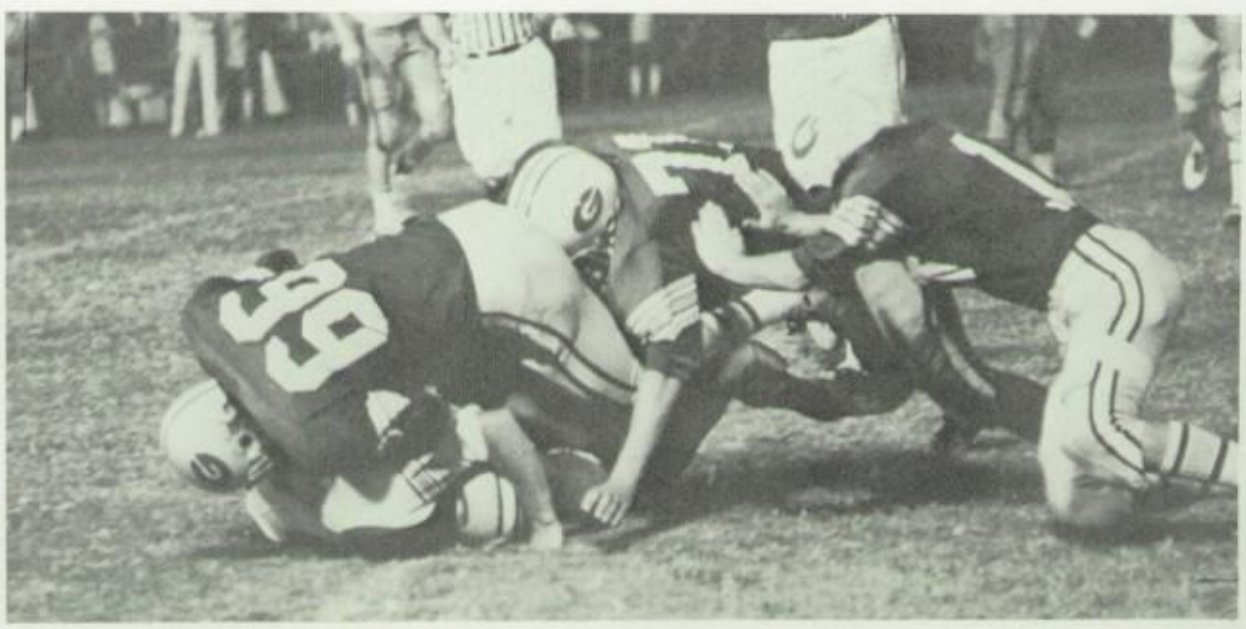


"I thought you had the ball!"

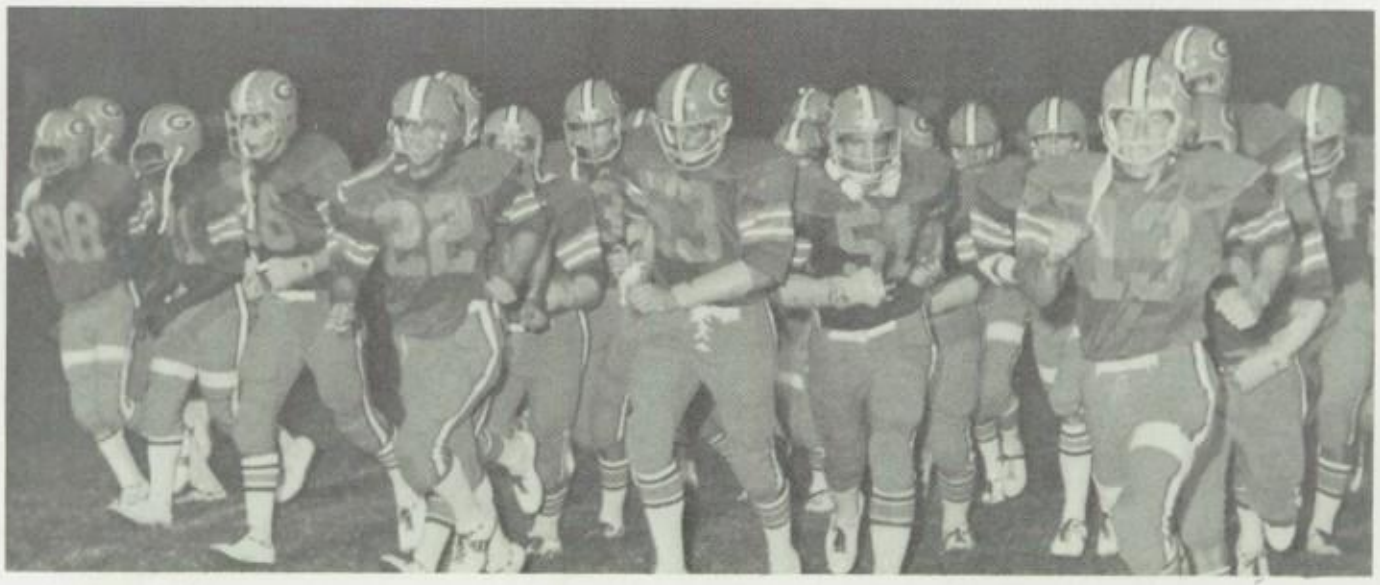
"I'll get you, Hudson!"

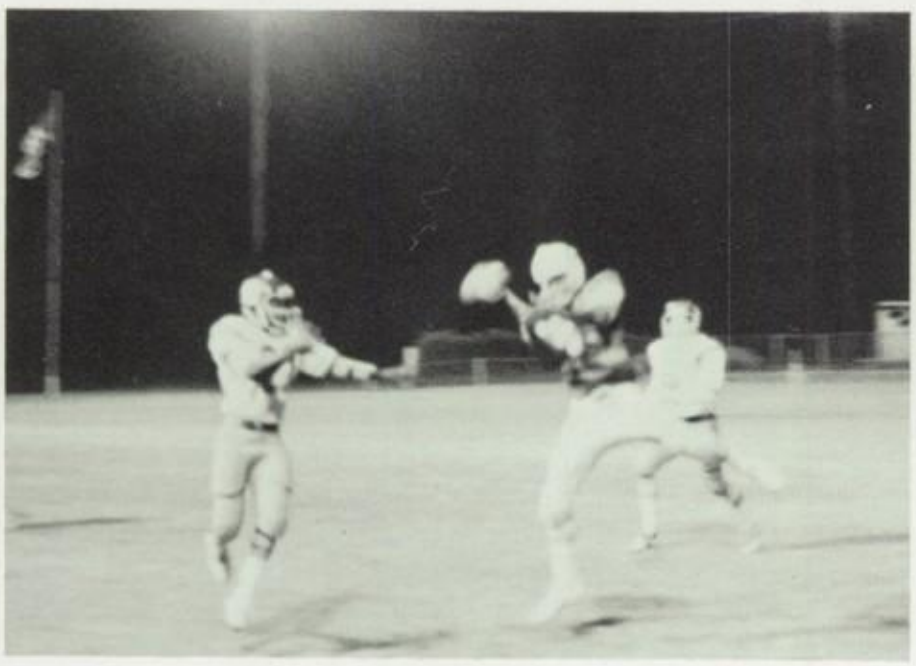
"You got my helmet, but you didn't get me!"

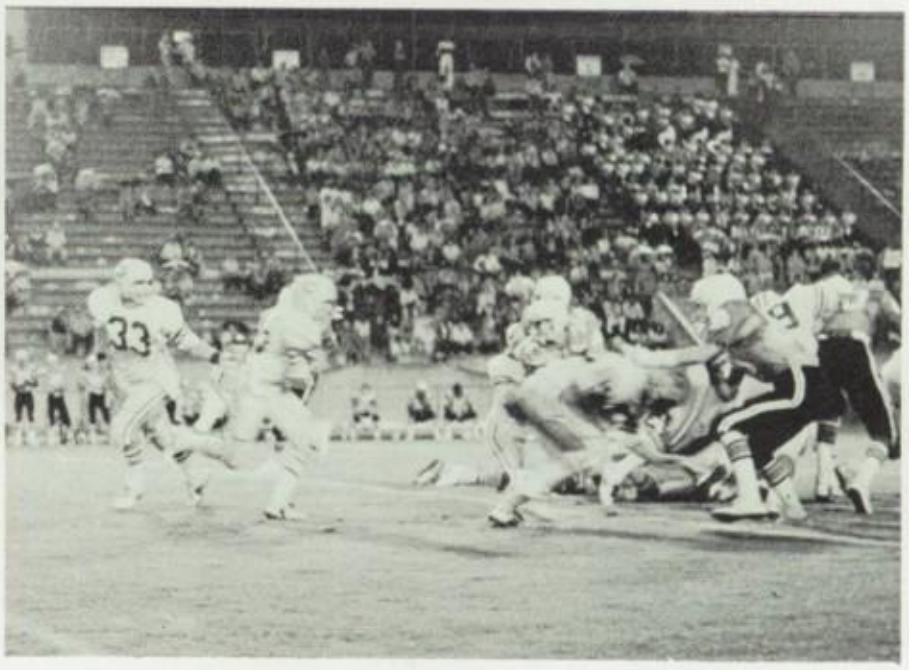
"Bless you, my son."



"Don't be so pushy!"







VARSITY COACHES SHOW ENTHUSIASM

Gulf High School's "fighting Buccaneers" had a fair season in 1975-76. The team, under head coach Will Riser, finished the year with a 4-6 record. The Buccaneers were hampered, however, by several injuries. The most satisfying win of the year was a 46-6 Homecoming victory over Clearwater Catholic. This was the team's first Homecoming win since Gulf defeated East Bay in 1969.

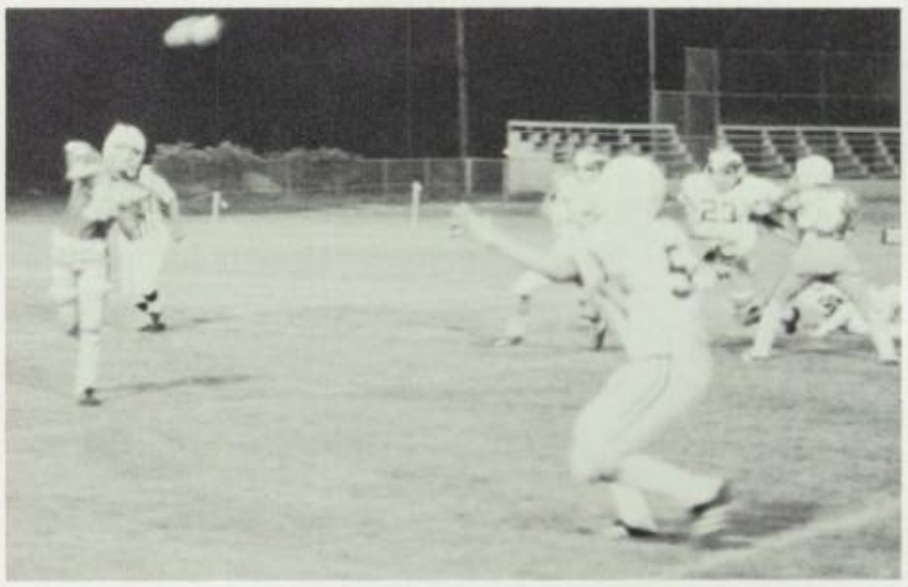
JUNIOR VARSITY TEAM WORKS HARD DURING EVENTFUL SEASON



The J.V. football team had an eventful season and consequently did fairly well. The young men practiced long hours and were rewarded for their efforts.

VARSITY BASKETBALL

This year's Varsity Basketball has had a difficult season. The 1975-76 team was a young squad, composed primarily of juniors.

Team members made several valiant efforts, but inexperience took its toll. The Buccaneers should be more experienced next year, and hope to enjoy a better season.

JUNIOR VARSITY BASKETBALL

Gulf's junior varsity basketball team concentrated on learning the fundamentals necessary to play winning high school basketball.

The team included several members who showed potential and thus insured a solid foundation for next year's varsity squad.

GULF'S OTHER TEAM ON THE COURT! GIRL'S BASKETBALL

Girl's Basketball is one of Gulf's newest sports. It was organized in 1974, and has made good progress. The girl's team has gone through their hard times at Gulf High with small crowds and little publicity, but the girls have put it all together and have made girl's basketball what it should be.

SOCCER'S FIRST YEAR PROVES TO BE VERY SUCCESSFUL

Soccer is Gulf's newest sport. Beginning this year, the team has enjoyed a relatively successful season. Although this year's season was not a winning one, most schools the Buccaneers played had a firmly established soccer program. Gulf has set a precedent, however, in becoming the first Pasco County school to establish a soccer team.

This year's soccer team was composed primarily of underclassmen, and males. It is also the first sport at Gulf High that has allowed a co-ed team. These young players look forward to a better season next year.

VARSITY BASEBALL

This year's varsity baseball team was distinguished, not only by its achievements on the field, but by the individuals who gave their time and dedication to the game.

With a nucleus of three seniors and a strong supporting cast of seven juniors, the team is proud of the fact that it has brought to Gulf High its most winning baseball team in history.

More important than the team's record, however, was the spirit in which the contests were approached.

Each individual member, without exception, approached baseball, not as an opportunity grab at personal glory, but as a time to improve his athletic skills and his approach to life.

The victories were accepted with humilty and the defeats, though few in number, were accepted with dignity.

Some superior talent emerged in the persons of Don Sampson, Sal Gualemi, Tom Stroelein, Tim Tagliapietra, John Hnilica, and Don McKendree. Seventeen superior individuals were also part of the effort.

MATH AND SCIENCE DEPARTMENTS

CALCULATE AND EXPERIMENT NEW IDEAS

The Math and Science Dept. had a lot happen to it this year. A Biology II class, with approximately 70 students, was introduced. They made indepth studies of the human anatomical systems and disected fetal pigs. The Math and Science Dept. sponsored a trip to an Engineering and Humanities Symposium at University of Fla. The four boys that went were accompanied by Mr. Morriss. The department got new books and hopes to get some new movies soon. One of Mr. Fortuna's Calculus students, Bob Coughlin, made an outstanding score of 800 on his SAT.

SOCIAL STUDIES

MAKES PROGRESS BY WAY OF THE PAST

A program designed to stress the most significant areas of historical and social concern was offered by the Social Studies Department of Gulf High. The teachers of this department felt that it was their duty to each other as well as to the students to not only to present facts, but to encourage a level of student inquirey. It was the policy of this department to emphasize quality rather than quantity of offering while maintaining a program that was balanced to stimulate the interest of students in a variety of areas of historical significance.

LANGUAGE ARTS

STRESS VARIED MODES OF COMMUNICATION

1975-76 proved to be a productive year for the Language Arts Department. Students expressed themselves orally through speech and drama classes, and through several productions. Mr. Hicks directed the performance of the rock musical, *Hair*, and the play *By the Skin of Our Teeth* by Thorton Wilder. Ms. Norris directed a series of one-act plays later in the year. The department aided the American Legion in the Bicentennial Flag Pageant. Mass Communications, taught by Mr. Brown and Mr. Lane, offered slide-making, film developing and criticism, radio, and T.V. Three foreign languages and one classical language were offered. Mrs. Weiskopf taught French and German, Mrs. Richey taught Spanish, and Mr. Hicks taught Latin.

VOCATIONAL EDUCATION

HELPS STUDENTS LEARN ABOUT THE BUSINESS WORLD AND JOB CAREERS

The vocational department is the largest department in Gulf High, with 18 teachers representing 12 different learning areas. There are opportunities for the student to learn how to do a job through classroom activities, and in many classes the student may apply this learning through on the job training in a work situation. The departments are Drafting, Business Education, Home Economics, Marine Engines, Job Entry, D.C.T., Carpentry and Masonry, C.D.E., Work Experience, Health Service Aides, Electrical Wiring, Air Conditioning, and Agriculture. There are many classes offered under each department. The student may select the elective course or courses of his/her choice depending upon the career plans of the student. Yet all students will profit from taking at least one vocational course.

Students enroll in many classes because they realize the class will be helpful regardless of their career plans. Typing, for example, is helpful for all students because the need to type is important. Also in most vocational classes proper job interviewing techniques are taught which makes it easier for students to be selected for a job, and gives them confidence they may otherwise lack. The teacher-coordinator can even help the student to get a job by arranging for a job interview, recommendations, or telling the student which businesses are hiring.

Regardless of his/her career plans, the Vocational Education Department offeres the student a chance to learn and then apply that learning on the job.

LIBRARY

READS INTO THE FUTURE

The Gulf High library served as the mecca of the school's academic activity. Under the directions of head librarian Mrs. Dixon, assistant librarian Mrs. Fite, and secretary Mrs. White, the library housed over 12,000 volumes covering a wide variety of subjects and academic areas.

During the accreditation period in February, the librarians paused to objectively examine the library, and their work in it. This self-examination produced hopes for an expanded library facility, and more educational resources for the coming year.

The librarians felt several improvements were made in the library this year. One included the addition of many new paperbacks books. Another included the carpeting of room 7. This room was facilitated in order to provide students a place to watch TV. listen to records, use audio-visual equipment, and explore non-book materials. It was shared by the Guidance Dept. as a Human Resources Center.

ART DEPARTMENT

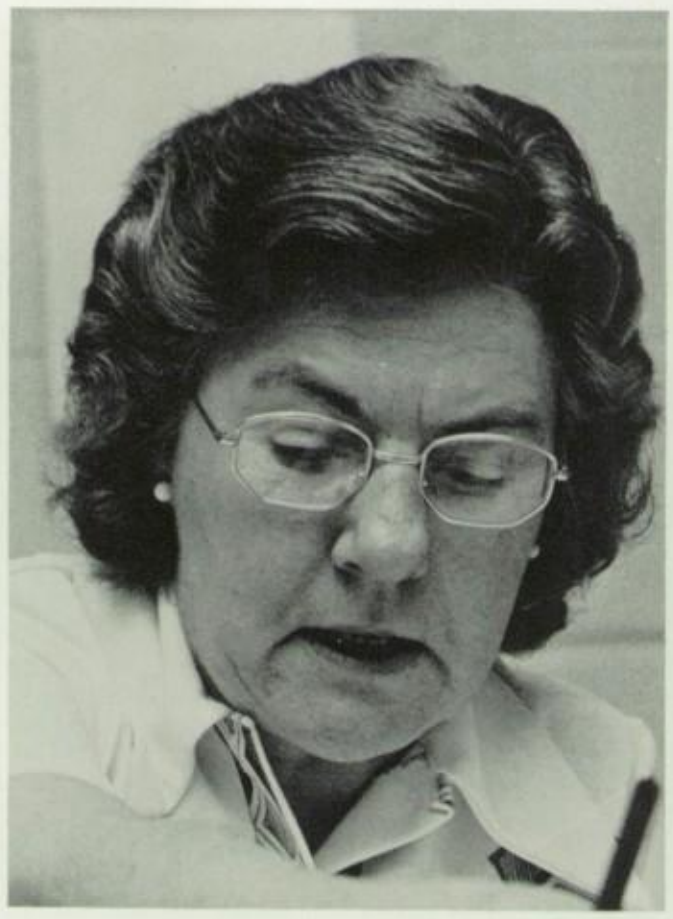
CREATES NEW IMAGES

ROBERT WHITTAMORE

Ms. Paddie and Mr. Weiskopf are a couple of people who get most of the problems. They work with the office and the teachers to try to help us out as much as possible. The Guidance Office is a hectic place, as much of you already know. We tip our hats to the Guidance Counselors on doing a good job.

Mrs. Eggleston, our Occupational Specialist, helps the Guidance Office by giving Vocational leadership. She is already to leap and help the Counselors in any problem.

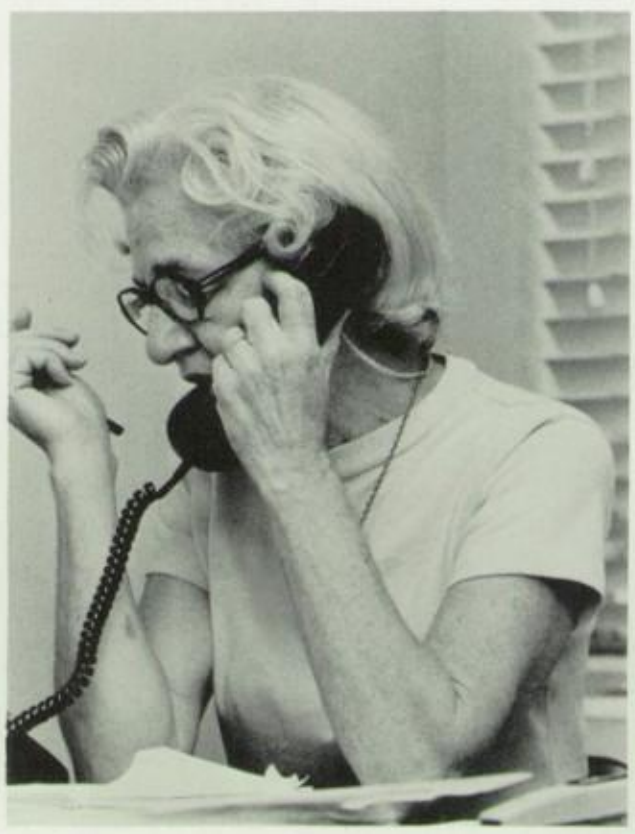
Mrs. Norris keeps the counselors in line. She keeps track of all the records and appointments. Without her, the Guidance office couldn't run.

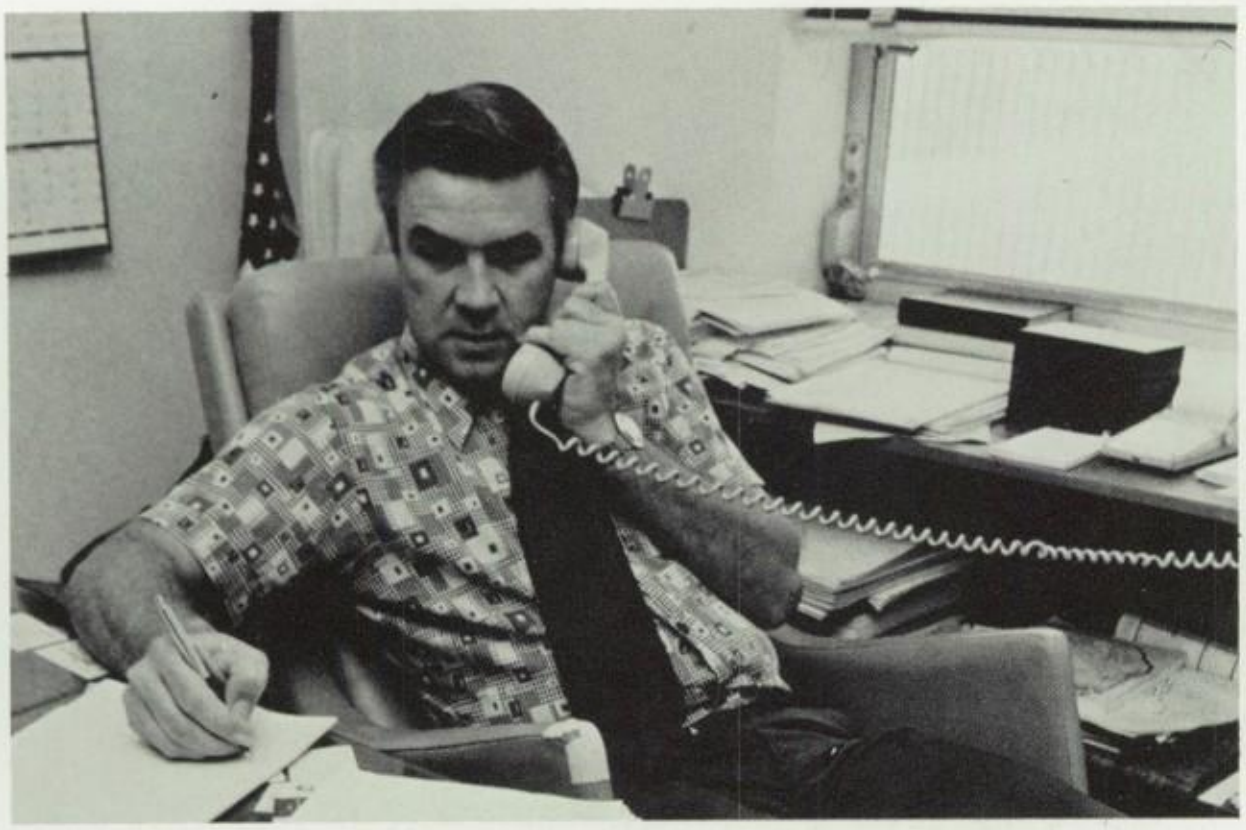


Keeping the books for a school as large as Gulf is a hard job, but Mrs. Rheinhart seems to have no problem keeping us going. She is the life-line of this school.

In our office, we have Mrs. VanDerMolen, who came with Mr. Campbell from the Junior High. She is his personal secretary.

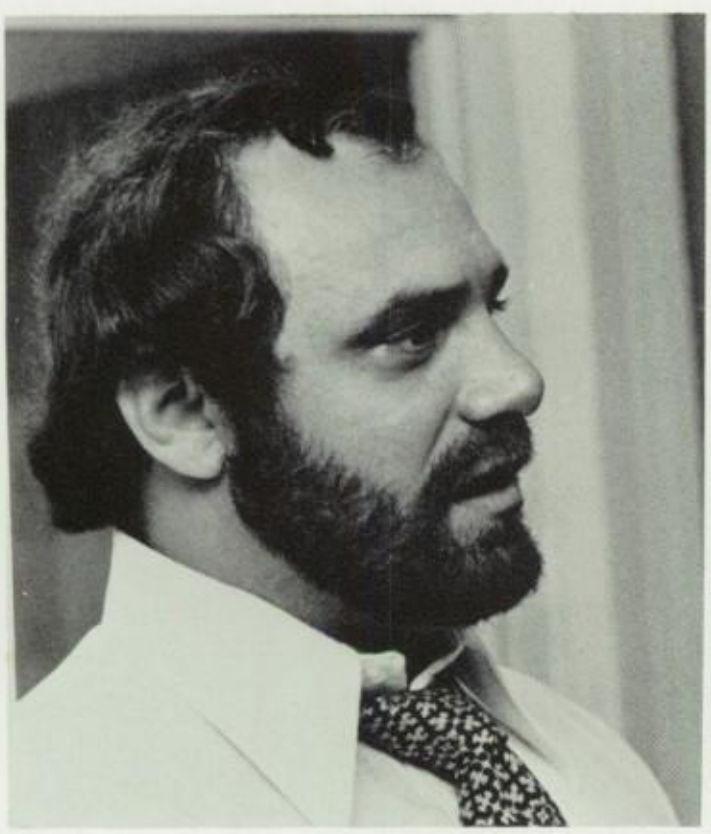
Mrs. McGraham, who has been at Gulf for many years, knows this office inside out. Without her, we wouldn't be able to find anything.





Mr. Ed Campbell came to Gulf in November from Gulf Junior High. His hard work and forthright manner quickly won him the respect of both the faculty and the student body.

Mr. Engle, Gulf's new Assistant Principal, also came from Gulf Junior High School. He has worked closely with Mr. Campbell in the many facets of guiding Gulf's administration.



The Dean of Women, Mrs. Detlefson, is known by all as a fair and and equal person. Some say she has a bad side, but we can't find one. Mrs. "D." keeps the students at Gulf on their toes. Keep them jumping, Mrs. "D."

Mr. Manticos, Dean of Men, came "home" to Gulf ater a short stay at Hudson. Mr. Manticos, who is an avid chess player, keeps up with the men at Gulf, like Mrs. "D" does with the women.

Coach,
Barry I was a pain the first quarters; Thanks for putting up with me.
I think I've learned abt (about science + life) Thank you for being someone to talk to.
I hope you have fun in the future + stay out of trouble (or at least try)
Peace
to ya

Coach,

You are such a doll!! This year and last year were the greatest because I was a cheerleader both years and you were "the Coach"!! You helped us out more than I can say! Don't forget all those games you drove us to and the time your car burned up and how we occupied ourselves on the way to the games!! You're the greatest! Come and see me up in Gainesville!

My Speed Queen

Love, Julie

Dear Mrs. Fisher,

Thank you so much for all the wonderful memories you have given me over the years. I remember when I was in your class and you were my favorite teacher. I remember how you would always read to us and how much fun we had. I remember when you would read us stories and how much we enjoyed them. I remember when you would help us with our work and how much we learned. I remember when you would play games with us and how much we laughed. I remember when you would sing songs with us and how much we sang. I remember when you would dance with us and how much we danced. I remember when you would hug us and how much we felt loved. I remember when you would kiss us and how much we felt cared for. I remember when you would tell us stories and how much we learned. I remember when you would read us books and how much we enjoyed them. I remember when you would help us with our work and how much we learned. I remember when you would play games with us and how much we laughed. I remember when you would sing songs with us and how much we sang. I remember when you would dance with us and how much we danced. I remember when you would hug us and how much we felt loved. I remember when you would kiss us and how much we felt cared for. I remember when you would tell us stories and how much we learned. I remember when you would read us books and how much we enjoyed them.

Love always,
Alexis
